MESSAGE FROM THE VICE-CHANCELLOR

I'm very pleased to introduce you to Victoria University (VU), one of Australia's most culturally and socially diverse universities. Each year, around 15,000 international students from 90 countries enrol at VU.

VU is part of a world-class education system. Our education and research partnerships include universities and organisations throughout Asia, the Americas and Europe. We are continually building on these partnerships, especially in Asia, where a number of our courses are taught at partner institutions.

We've built an international reputation in disciplines as diverse as business, engineering, education, nursing, sports science, information systems, transport and logistics, and beauty services. Graduating from VU will equip you with an internationally recognised qualification.

At VU we will focus on helping you find true success by offering a flexible learning environment. We have multiple entry and exit points into and out of our courses, including easy transition between vocational courses and higher education. This offers you the study support to ensure you achieve your best.

We are committed to ensuring that our students become confident, creative, ethical and respectful local and global citizens that are making a difference locally, nationally and globally.

We also understand the challenges international students face while adjusting to a new culture and making new friends. Our dedicated International Student Support team will support you from your arrival through to successfully completing your studies.

The University you see today may be only young, but it has a long, rich history, beginning as Footscray Technical School, which first opened its doors to students in February 1916. 2016 will be Victoria University's centenary year – we will be celebrating 100 years of providing excellent education opportunities to a diverse community of students from Australia and around the world.

Today's VU can help you find true success through high-quality teaching and flexible study options that suit your lifestyle. Join us in 2016 and take advantage of the many great events and activities happening on and around our campuses.

Professor Peter Dawkins
Vice-Chancellor and President

ACCOUNTING AND FINANCE

Jirayu Mecksakul. Master of Business (Finance) / Master of Business Administration

"As the President of VU's Accounting, Finance and Investment Student Society (AFISS), I improved my leadership and negotiation skills. I was also able to cultivate strong links between AFISS and leading firms such as Deloitte, ANZ and CPA. The willingness of VU staff to support students in reaching their goals is amazing! I established a rapport with many of my lecturers, College Deans and even the Vice-Chancellor.

I am proud to be a part of the VU Alumni community!"

Graduate Diploma in Professional Accounting

CODE: BGAP | CRICOS: 066093M

CAMPUS

City Flinders, VU Sydney

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$11,500 per semester

DURATION

1 year (2 semesters) of study

Information on this page refers to this course as offered in Melbourne. For information about VU Sydney visit www.vu.edu.au/vu-sydney

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

PROFESSIONAL RECOGNITION

This course is professionally recognised with accreditation from CPA Australia.

This course will provide you with the technical, analytical, appreciative, personal and interpersonal skills essential in today's global environment.

Delivered by the Victoria Graduate School of Business (VGSB), this eight-unit course provides entry to the accounting profession for non-accounting graduates, and offers a further accounting specialisation to business graduates.

Exemptions are available for completed units in the CPA Foundation Program. Please contact the course coordinator for further details.

GRADUATE OUTCOMES

This course equips you for a career in accounting and finance.

UNITS AND ELECTIVES

To attain the Graduate Diploma of Professional Accounting, students must successfully complete 96 credit points (8 units).

YEAR 1, SEMESTER 1

- Managerial Accounting
- Accounting Systems and Processes
- Business and Company Law
- Business Economics

YEAR 1, SEMESTER 2

- Business Finance
- Financial and Corporate Accounting
- Professional Auditing
- Issues in Contemporary Accounting

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/bgap

Master of Accounting

CODE: BMAC | CRICOS: 065660D

CAMPUS

City Flinders, VU Sydney

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$11,500 per semester

DURATION

1.5 years (3 semesters) of study

Information on this page refers to this course as offered in Melbourne. For information about VU Sydney visit www.vu.edu.au/vu-sydney

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher in the study area of accounting, finance or a similar field
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

The Master of Accounting is aimed at those with an undergraduate or postgraduate degree in accounting who want the choice of subjects for their continuing professional education.

This course will help you to:

- reflect on the theory to help achieve an effective accounting practice
- critically apply knowledge in decision making for emerging professional accounting contexts
- communicate effectively with audiences including diverse communities, business and other professional organisations.

GRADUATE OUTCOMES

This course equips you for a career in accounting, banking and finance. Employment opportunities cover a variety of roles in public accounting practice, commercial and government organisations.

UNITS AND ELECTIVES

BUSINESS AND MANAGEMENT

Maheswary Subraman. Master of Business (Enterprise Resource Planning Systems)/Master of Business Administration

"I am an international student studying in Melbourne. I started my undergraduate course at the VU campus in Malaysia, which is where I am from.

After that, I decided to continue with a Masters in Business Administration and ERP at VU in Melbourne. VU was the only university that offered a double Masters in MBA and ERP.

The VU lecturers are great. They are very knowledgeable and respected in their fields, and their experience in the industry has had a positive impact on me."

Master of

Business (Industrial Relations / Human Resource Management)

CODE: BMIR | CRICOS: 083294E

CAMPUS

City Flinders

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$11,500 per semester

DURATION

2 years (4 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher; or
- completed a graduate certificate or graduate diploma and have a minimum of three years of relevant professional experience
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

PROFESSIONAL RECOGNITION

This course is accredited by the Australian Human Resources Institute (AHRI).

Explore contemporary knowledge and gain a conceptual understanding of industrial relations and human resource management.

You will develop research skills in the areas of management and general business, learn to manage workplace conflict, and resolve industrial relations and human resource problems.

GRADUATE OUTCOMES

Human resources and industrial relations professionals are critical to the future growth of any company, and roles can be generalist, specialist or external. Play the valuable role of discovering and managing human resources to help any organisation achieve its goals.

Graduates find employment in a range of industrial relations and human resources roles including:

- Human Resource Manager
- Employee Development Planner
- Employee Relations Manager
- Recruitment Consultant
- Industrial Relations Officer

Employment for Human Resource Managers is expected to grow strongly in the next four years. (JobOutlook).

ORGANISATIONS EMPLOYING HUMAN RESOURCE GRADUATES

You could gain employment working in small or large businesses, the public or the private sectors, while developing specialist skills. Potential employers include manufacturers, retailers, banks, consultancies, local and national government.

UNITS AND ELECTIVES

To attain the award of Master of Business (Industrial Relations/Human Resource Management), students must successfully complete the following:

- 48 credit points (equivalent to 4 units) core units
- 24 credit points (equivalent to 2 units) foundation units
- 84 credit points (equivalent to 7 units) specialisation units
- 36 credit points (equivalent to 3 units) based on 2 research options.

YEAR 1

- Work and Organisation Systems
- Business Statistics
- Business Economics
- Strategic Management and Business Policy
- Business Ethics and Sustainability
- Human Resource Management
- Industrial Relations
- Law of Employment

On completion of eight approved units of study students can exit this course and will be eligible to receive the Graduate Diploma in of Business (Industrial Relations/Human Resources Management).

YEAR 2

- Contemporary Employment Systems
- Strategic Human Resource Management
- Managing Workplace Conflict
- Business Research Methods
- Performance Management and Rewards

Plus

Option 1

- Business Research Project

24 credit points (equivalent to 2 units) elective units. Students to select from any postgraduate units from across the University (subject to availability).

Or

Option 2

- Business Research Proposal
- Business Research Thesis

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/bmir

Master of Business (Management)

CODE: BMMA | CRICOS: 083292G

CAMPUS

City Flinders

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$11,500 per semester

DURATION

2 years (4 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher; or
- completed a graduate certificate or graduate diploma and have a minimum of three years of relevant professional experience
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

Develop specialist business knowledge and skills that will prepare you for management positions in a variety of fields. Expand your professional skills across a range of areas of management including employee learning, organisational development and change, innovation and leadership, managing employees and stakeholder management.

Through case studies and work-related activities you will:

- strengthen your critical analytical and decision making skills
- improve your leadership and strategic thinking, research and negotiation skills
- sharpen your skills in values and ethical behaviour.

With hands-on experience, you will be prepared to respond to the challenges of today's global workplaces such as leading change courses, creating and leading project teams, and supporting staff to achieve their best.

* Students will not normally be permitted to commence the minor thesis component of the course until they have satisfied requirements in at least four specialist units of study and two research units (Business Research Methods and Market Research or equivalent units).

Master of Business (Supply Chain Management)

CODE: BMSM | CRICOS: 083290J

CAMPUS

City Flinders

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$11,500 per semester

DURATION

2 years (4 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher; or
- completed a graduate certificate or graduate diploma and have a minimum of three years of relevant professional experience; or
- completed a graduate certificate or graduate diploma in supply chain management or a related area
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

PROFESSIONAL RECOGNITION

This course is accredited by the Chartered Institute of Purchasing and Supply (CIPS).

Strive to be the best in the dynamic and fast-paced supply chain and logistics industry. Supply chain management is one of the largest industries in Australia and a postgraduate qualification can greatly enhance career opportunities.

You will develop knowledge of the field of logistics and supply chain management with particular focus on the skills and techniques required for employment in senior management roles.

GRADUATE OUTCOMES

This course could lead to a career as a supply chain manager, logistics professional, global procurement specialist, sourcing/distribution manager, enterprise resource planning developer, project leader, transport coordinator, warehouse supervisor, importer/exporter or customs manager.

Employment for Supply and Distribution Managers is expected to grow moderately in the next four years. (JobOutlook).

ORGANISATIONS EMPLOYING SUPPLY CHAIN AND LOGISTICS GRADUATES

You could gain employment managing procurement and supply chain in private business or the public sector.

LEARN FROM THE EXPERTS

Our teachers have extensive experience in their field, and many are still practicing professionals, so they can impart their up-to-date industry knowledge to you.

UNITS AND ELECTIVES

To graduate from the Master of Business (Supply Chain Management), students must successfully complete:

- 48 credit points (equivalent to 4 units) core units of essential business knowledge, particularly for students from a non-related field of study
- 24 credit points (equivalent to 2 units) foundation units

Master of Business Administration

CODE: BMPF | CRICOS: 012133K

CAMPUS

City Flinders

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$12,700 per semester

DURATION

1.5 years (3 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a business degree equivalent to an Australian undergraduate (bachelor) degree plus a minimum of three years relevant (full-time) work experience; or
- completed any degree equivalent to an Australian undergraduate degree plus a minimum of five years relevant (full-time) work experience
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

TOP RATED

Our MBA currently ranks in the top three in Australia and number eight in the global Top 20 by CEO magazine in 2015 for its excellent lecturers, small class sizes, student diversity, value-for-money and international study options.

Our MBA has a 5-star rating by the Good Universities Guide 2015 for its academics' qualifications.

Gain a solid business education to complement your existing work experience with a Master of Business Administration (MBA). Delivered by the Victoria Graduate School of Business (VGSB), the MBA covers a broad range of business and management disciplines. Tailor your MBA by completing elective units in a particular business area of study.

The course will cover all aspects of managing a business and does not assume any previous studies in business or management. Elective areas of study include accounting, enterprise resource planning systems, finance, human resources management and industrial relations, information systems, marketing, logistics and supply chain management, sport business and innovation, knowledge and change management.

GRADUATE OUTCOMES

VU graduates thrive in a fast-paced, dynamic global business environment. Through practical learning facilitated by leading academics, you will develop a cross-section of management, marketing and financial expertise, opening up a wealth of career opportunities in Australia and overseas.

Career progression toward senior management roles such as a Chief Executive Officer, Chief Information Officer, Marketing/Communications Director, Human Resources Director and Financial Manager.

ORGANISATIONS EMPLOYING MBA GRADUATES

Our students come from a range of professional backgrounds and gain employment in dynamic management and consulting roles in Australia and overseas within the finance, information technology, marketing, engineering, construction, tourism and sporting industries.

Past graduates have gone on to work for organisations such as IBM, Accenture, the Australian Tax Office, National Australia Bank and the United Nations. Graduates have also started their own business or gained a solid business education to complement their existing experience.

PARTNERSHIPS

Students can study part of this course overseas with partners such as the Neoma Business School, France, as part of VU's exchange program, providing valuable networking and learning opportunities.

DYNAMIC LEARNING

Students gain hands-on experience, with assessment designed to solve real business problems through simulation or working with an industry or community partner.

UNITS AND ELECTIVES

To attain the award of Master of Business Administration, students must successfully complete the following:

- 24 credit points (equivalent to 2 units) foundation units
- 84 credit points (equivalent to 7 units) specialisation units
- 36 credit points (equivalent to 3 units) based on 2 research options.

YEAR 1, SEMESTER 1

- Business Ethics and Sustainability
- Work and Organisation Systems
- Strategic Management and Business Policy
- Business Research Methods

Master of Supply Chain Management

CODE: BMSP | CRICOS: 084106F

CAMPUS

City Flinders

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$11,500 per semester

DURATION

1.5 years (3 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed degree equivalent to an Australian undergraduate (bachelor) degree in the study area of supply chain, logistics, information technology or information systems
- completed a degree equivalent to an Australian undergraduate (bachelor) degree in an unrelated field and a graduate certificate in the study area of supply chain, logistics, information technology or information systems
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

PROFESSIONAL RECOGNITION

This course is accredited to MCIPS standard with The Chartered Institute of Purchasing and Supply (CIPS).

The Master of Supply Chain Management develops your knowledge of logistics and supply chain management with a particular focus on the skills and techniques required for employment, in the logistics and supply chain sectors in senior management roles.

Study this course and learn skills in:

- Enterprise Resource Planning (ERP) systems
- supply chain and logistics management
- green logistics
- operations management.

GRADUATE OUTCOMES

Supply chain management is one of the largest industries in Australia and a masters degree can greatly enhance career opportunities across a wide range of roles, such as supply chain managers, logistics professionals, global procurement specialists, sourcing/distribution managers, enterprise resource planning developers, project leaders, transport coordinators, warehouse supervisors or import/export and customs managers.

Employment for Supply and Distribution Managers is expected to grow moderately in the next four years. (JobOutlook).

ORGANISATIONS EMPLOYING SUPPLY CHAIN AND LOGISTICS GRADUATES

You could gain employment managing procurement and supply chain in private business or the public sector.

LEARN FROM THE EXPERTS

Our teachers have extensive experience in their field, and many are still practicing professionals, so they can impart their up-to-date industry knowledge to you.

CREATIVE ARTS, MULTIMEDIA AND COMMUNICATION

Ali Raza. Masters of Communication

"After I graduated from my undergraduate degree I planned to do my Masters abroad as it was my father's wish. I looked at different universities in different countries, but I chose Australia because it is the land of opportunity and the weather is almost the same as in Pakistan. I chose Victoria University, as I believed that it would lead me towards success.

The lecturers at Victoria University are highly qualified, co-operative, helpful and have given me the variety of knowledge to think across the issues. After completing my masters, I will hopefully continue further education with Victoria University and eventually become a journalist or anchor person."

Master of Communication

CODE: AMCN | CRICOS: 083304G

CAMPUS

City Flinders

INTAKES

2016: February intake

FEES

2016 Tuition Fee: A\$10,300 per semester

DURATION

2 years (4 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

Expand your career options in the professional writing, public relations and digital media professions and become a leader in the communications industry. Take the next step to becoming a professional in the communication industry by studying new communications technologies, the globalised communication environment, communication theory, research methodologies.

- Applied Research Project (Digital Media) 2

Plus 12 credit points (equivalent to 1) **Elective Unit

**Students may select a 12 credit point postgraduate unit offered as electives in the College of Arts.

EDUCATION

Lam Viet Quoc Tran (Victor). Master of Teaching (Secondary)

"I am from Vietnam and have been studying here for seven years at different universities but my course at VU has been much more affordable for an overseas student compared to other institutes that offer the same degree. I love living in Melbourne. I study at the Footscray Park Campus which is close to the Student Village where I live as well as to shops and the Footscray Market.

My best experience so far has been working with students during my teaching placement. My long-term goal is to be a great teacher and inspire my students."

Master of Education

CODE: EMED | CRICOS: 083310K

CAMPUS

Footscray Park

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$10,300 per semester

DURATION

2 years (4 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher complete at a meritorious level and approved by the College of Education
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

Applicants will need to:

- provide a professional resume or curriculum vitae
- submit a 200-word written statement outlining why you would like to undertake this course.

To undertake the minor thesis option, the College of Education requires evidence of aptitude for a comprehensive research project. Extensive experience in the professional field is an advantage.

ADVANCE YOUR TEACHING CAREER

Study a Master of Teaching if you are already an accredited teacher seeking to advance your career with a masters degree.

If you intend study a masters degree to gain accreditation with the Victorian Institute of Teaching (VIT) or Australian Children's Society and Care Quality Authority (ACECQA) to teach in Australia, then you can study a:

- Master of Teaching (Early Childhood)
- Master of Teaching (Primary)
- Master of Teaching (Secondary).

Build on your experience as an educator by studying the latest theory and research in education. The Master of Education is a flexible coursework program with a particular focus and commitment to social justice, sustainability and ethical action.

This course is designed to meet the needs of professionals whose work has an educational component or some educational responsibility.

It is open to current and future educators, including teachers and principals and those outside formal education settings, such as community educators, youth workers, or business professionals seeking to expand their understanding of how colleagues learn.

GRADUATE OUTCOMES

As postgraduate study in education is increasingly important in the advancement of a professional education career, this course could lead to a career as an education or health professional, and prepare you for a management role in a number of specialist education fields.

Note that this course does not provide students with registration to teach.

Graduates will have the experience and confidence to take a leading position in a range of fields related to education in schools or other settings, policy making and development or training in the workplace.

You may also be eligible to progress to doctoral study on completion of this degree.

UNITS AND ELECTIVES

To be awarded the Master of Education, students must complete 192 credit points (16 units) of study including:

- 48 credit points (2 units) of foundation units
- 48 credit points (2 units) of either a Minor Thesis (Full-Time), or the Capstone Research Investigation unit and one unit chosen from the core or elective unit lists
- 48 credit points (2 units) of core units
- 48 credits point (2 units) that can be selected from either the core units or elective units listed.

Students who have been admitted to the Master of Education on the basis of their previous studies in education will be granted recognition of prior learning for two core or elective units.

All units of study are 24 credit points unless otherwise stated, and are subject to availability.

To be eligible to apply for doctoral study, it is recommended that students choose to complete the Minor Thesis option, or complete the Enhanced Skills and Knowledge unit along with Capstone Research Investigation unit.

FOUNDATION UNITS

Foundation units are to be taken by all students

- Contemporary Issues in Education and Training
- Education Research Design and Methods

Select 1 option below (A or B):

Option A

- Capstone Research Investigation

And 1 unit (24 credit points) chosen from the core or elective unit lists below.

Option B

- Minor Thesis (Full-Time)

CORE UNITS

Select 2 units (48 credit points) from the following core units:

- Innovation
- Approaches to Learning
- Vocational Education and Training: Policy and Practice
- Curriculum & Pedagogy
- Educational Leadership for Social Justice

2016: February intake

FEES

2016 Tuition Fee: A\$10,300 per semester

DURATION

2 years (4 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher
- obtained an IELTS (academic module) result of 7.5 with no band less than 8.0 in Speaking and Listening modules, and 7.0 in Reading and Writing modules or equivalent

In addition, you will also need to provide a Working with Children Check prior to commencing practical placements.

PROFESSIONAL RECOGNITION

Graduates of this course can be accredited as an early childhood teacher with the Australian Children's Society and Care Quality Authority (ACECQA).

Become an expert practitioner in early childhood services. The Master of Teaching (Early Childhood) has a strong emphasis on mentoring and support for pre-service teachers.

You will develop a broad knowledge and understanding of teaching and learning processes in early childhood education, and undertake extensive teaching practice in early childhood services.

GRADUATE OUTCOMES

You will have the opportunity to work in a diverse range of services for the education and care of children from birth to six years and other learning and teaching-associated career opportunities.

The course has been designed to meet the needs of those wishing to achieve accreditation as an early childhood teacher with an emphasis on working with children in the 0-6 age range. It is also designed for those seeking to undertake professional studies beyond initial teacher education with an emphasis on exploring education research and providing a pathway into postgraduate programs and research and careers in university teacher education.

PRACTICAL PLACEMENTS

Students undertake project partnership placements comprising 60 days in total.

UNITS AND ELECTIVES

The Master of Teaching (Early Childhood) is a 192 point, two-year full-time award.

YEAR 1, SEMESTER 1

- Early Childhood Development, Learning and Teaching 1
- Early Childhood Curriculum and Pedagogy 1: the Sciences
- Contemporary Issues, Social Contexts of Learning and Social Justice
- Languages and Literacy in Early Childhood

YEAR 1, SEMESTER 2

- Early Childhood Development, Learning and Teaching 2
- Early Childhood Curriculum and Pedagogy 2: the Arts
- Professional Issues
- Inclusive Practice in Education

YEAR 2, SEMESTER 1

- Education Research Design and Methods
- Curriculum & Pedagogy

YEAR 2, SEMESTER 2

- Early Childhood Development, Learning and Teaching 3
- Capstone Research Investigation

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/emtc

Master of Teaching (Primary)

CODE: EMTP | CRICOS: 083309C

CAMPUS

Footscray Park

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$10,300 per semester

DURATION

2 years (4 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher
- obtained an IELTS (academic module) result of 7.5 with no band less than 8.0 in Speaking and Listening modules, and 7.0 in Reading and Writing modules or equivalent.

PROFESSIONAL RECOGNITION

This course is accredited by the Victorian Institute of Teaching.

Gain practical experience and prepare for a rewarding career as a primary school teacher. Refine your craft as a teacher by engaging in classroom discussions and undertaking research.

You will also gain significant workplace experience to prepare you for the real world through 60 days of supervised teaching practice in a primary school.

GRADUATE OUTCOMES

This course prepares teachers to become generalist primary school teachers. Graduates are eligible for registration as teachers in Australia. Registered teachers also have the opportunity to teach overseas in countries like the United Kingdom and United States of America if they meet the specific requirements of those countries.

UNITS AND ELECTIVES

To complete the Master of Teaching (Primary) students will be required to complete 192 credit points in total consisting of:

- 120 credit points core units
- 24 credit point elective unit to be selected from the list below
- 48 credit points thesis unit options or the Capstone Research Investigation unit plus an elective unit.

All units are subject to availability.

To be eligible to apply for doctoral study, it is recommended that students choose to complete the minor thesis option, or complete the Enhanced Skills and Knowledge unit along with Capstone Research Investigation unit.

YEAR 1, SEMESTER 1

- Teaching and Learning 1 (Primary)
- Literacy in Education
- Numeracy in Education

And 1 of the following:

- New Learning
- Social Context of Teaching and Learning

YEAR 1, SEMESTER 2

- Teaching and Learning 2 (Primary)
- Integrated Studies 1
- Integrated Studies 2

And 1 of the following:

- New Learning
- Social Context of Teaching and Learning

YEAR 2, SEMESTER 1

- Education Research Design and Methods

Plus 24 credit points (1 unit) chosen from elective units listed

YEAR 2, SEMESTER 2

Choose ONE of the following three options:

Option A

- Capstone Research Investigation *

Plus 24 credit points (1 unit) chosen from elective units list below

* To be eligible to apply for doctoral studies students undertaking this option should also complete Enhance Skills and Knowledge unit.

Option B

- Minor Thesis (Full-Time)

ELECTIVE UNITS

- Evaluation
- Innovation
- Assessment
- E-Learning
- Vocational Education and Training: Policy and Practice
- Positive Education
- Contemporary Issues in Education and Training
- Curriculum & Pedagogy
- Educational Leadership for Social Justice
- Reforming Pedagogies
- Internet and Web Technologies for Educators
- Enhancing Skills and Knowledge

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/emtp

Master of Teaching (Secondary)

CODE: EMTS | CRICOS: 084111J

CAMPUS

Footscray Park

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$10,300 per semester

DURATION

2 years (4 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher
- obtained an IELTS (academic module) result of 7.5 with no band less than 8.0 in Speaking and Listening modules, and 7.0 in Reading and Writing modules or equivalent.

The completed degree must include prerequisite studies for your chosen teaching methods. This generally involves completion of at least one sub-major in that subject area, except in the case of LOTE which requires completion of a major. A sub-major constitutes half a year of full-time study with no more than two units at first year and a major is a total of three quarters of a year of study with sequential units taken over three years.

Further information on teaching method requirements are available from the Victorian Institute of Teaching website www.vit.vic.edu.au (follow the Teacher Education Program link for information about the 'Standards for initial teacher education').

In addition, you will need to provide a Police Check from your usual country of residence prior to commencing practical placements.

PROFESSIONAL RECOGNITION

This course is accredited by the Victorian Institute of Teaching.

The Master of Teaching (Secondary) is a two-year full-time postgraduate program designed to prepare students for registration as secondary teachers.

This course involves significant learning in the workplace through project partnerships and prepares teachers in a wide range of discipline areas including business, English, health, mathematics, physical education, science and technology.

GRADUATE OUTCOMES

Graduates of the Master of Teaching (Secondary) are eligible for registration as teachers and can pursue careers in a range of educational related industries and organisations.

Graduates are eligible for registration as teachers in Australia. Registered teachers also have the opportunity to teach overseas in countries like the United Kingdom and United States of America if they meet the specific requirements of those countries.

UNITS AND ELECTIVES

To complete the Master of Teaching (Secondary) students will be required to complete 192 credit points in total consisting of:

- 72 credit points core units
- 48 credit points discipline studies
- 24 credit points elective unit to be selected from the list below
- 48 credit points thesis unit options or Capstone Research Investigation unit plus an elective unit.

All units are subject to availability.

To be eligible to apply for doctoral study, it is recommended that students choose to complete the minor thesis option, or complete the Enhanced Skills and Knowledge unit along with Capstone Research Investigation unit.

YEAR 1, SEMESTER 1

- Approaches to Teaching and Learning 1
- Inclusion and Diversity: Schools, Community and Society

Plus 24 credit points (2 units) Discipline Studies units (Part 1) chosen from list below

YEAR 1, SEMESTER 2

- Approaches to Teaching and Learning 2
- Inclusion and Diversity: Curriculum Design for Multi-Modal Learning

Plus 24 credit points (2 units) Discipline Studies units (Part 2) chosen from list below

YEAR 2, SEMESTER 1

- Education Research Design and Methods

Plus 24 credit points (1 unit) chosen from elective units listed

YEAR 2, SEMESTER 2

Choose ONE of the following three options:

Option A

- Capstone Research Investigation *

Plus 24 credit points (1 unit) chosen from elective units listed

* To be eligible to apply for doctoral studies students undertaking this option should also complete EED6011

Option B

- Minor Thesis (Full-Time)

DISCIPLINE STUDIES UNITS

Each study area consists of two units.

- Teaching Business
- Teaching Computing
- Teaching Creativity and the Arts
- Extended Discipline Study
- Teaching English
- Teaching English as a Second Language

- Teaching Health
- Teaching Humanities
- Teaching Languages Other Than English
- Teaching Mathematics
- Teaching Middle Years
- Teaching Music
- Teaching Outdoor Education
- Teaching Physical Education
- Teaching Psychology
- Teaching Science
- Teaching Student Welfare
- Teaching Technology
- Teaching Vocational Education and Training

ELECTIVE UNITS

- Theories of Education, Training and Social Change
- Evaluation
- Innovation
- Approaches to Learning
- Assessment
- E-Learning
- Vocational Education and Training: Policy and Practice
- Internationalisation in Education and Training
- Positive Education
- Curriculum & Pedagogy
- Educational Leadership for Social Justice
- Learning Programs: Design and Implementation
- Reforming Pedagogies
- Developing Professional Practice
- Internet and Web Technologies for Educators
- Facilitating Learning in Organisations
- Enhancing Skills and Knowledge
- Sustainability Education: From Theory to Practice
- Post-Colonial and Indigenous Approaches to Learning and Teaching in the 21st Century

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/emts

Master of TESOL Education

CODE: EMTL | CRICOS: 084101M

CAMPUS

Footscray Park

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$10,300 per semester

DURATION

1.5 years (3 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher preferably in the study area of linguistics, TESOL or education; or
- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher and a demonstrated commitment to work in TESOL programs*
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

* Examples of commitment to work in TESOL programs include:

- a completed Certificate in Teaching English to Speakers of Other Languages (CELTA)
- work experience as a teacher of English as a second or additional language (recent experience preferred)
- participation in professional development or volunteer work.

Applicants will need to:

- submit a 200-word written statement outlining why you would like to undertake this course
- attend an interview (a written submission may be an acceptable alternative if an interview cannot be organised)
- provide a professional resume or curriculum vitae with at least three referees.

The Master of TESOL Education is a flexible course with a commitment to social justice, sustainability and ethical action. It encourages students to make links between their practice and the latest theory and research in education, locally and internationally.

The course is open to current and future educators, including current teachers and principals, and those outside formal education settings, such as community educators and youth workers. It is also open to those who may not have a formal role as an educator, such as business professionals seeking to expand their understanding of how colleagues learn.

GRADUATE OUTCOMES

There are many career opportunities available for graduates, including:

- work with migrants or Indigenous students at the primary, secondary or adult level
- teachers looking for a change in career direction
- teaching English abroad.

UNITS AND ELECTIVES

The Master of TESOL Education is only available to students from similar (cognate) disciplines and students will be required to complete 144 credit points in total consisting of:

- 96 credit points core units
- 48 credit points thesis unit options or Capstone Research Investigation unit plus an elective unit

All units are subject to availability. Thesis and Capstone units can only be taken at the end of the course.

To be eligible to apply for doctoral study, it is recommended that students choose to complete the minor thesis option, or complete the Enhanced Skills and Knowledge unit along with Capstone Research Investigation unit.

YEAR 1

Students complete all of the following core units:

- TESOL Methodology
- Professional Practice - TESOL
- Literacy Methodology
- Techniques in TESOL
- Education Research Design and Methods

YEAR 2

Choose 1 of the following three options:

Option A

- Capstone Research Investigation *

Plus 24 credit points (1 unit) chosen from Elective units list below

* To be eligible to apply for doctoral studies it is recommended that students undertaking this option complete the Enhancing Skills and Knowledge unit

Option B

- Minor Thesis (Full-Time)

ELECTIVE UNITS

- Theories of Education, Training and Social Change
- Evaluation
- Innovation
- Approaches to Learning
- Assessment
- E-Learning
- Vocational Education and Training: Policy and Practice
- Internationalisation in Education and Training
- Advanced Quantitative Research Methods
- Positive Education
- Contemporary Issues in Education and Training
- Curriculum & Pedagogy
- Educational Leadership for Social Justice
- Learning Programs: Design and Implementation
- Reforming Pedagogies
- Developing Professional Practice
- Internet and Web Technologies for Educators
- Facilitating Learning in Organisations
- Enhancing Skills and Knowledge
- Sustainability Education: From Theory to Practice
- Post-Colonial and Indigenous Approaches to Learning and Teaching in the 21st Century

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/emtl

PROFESSIONAL RECOGNITION

This course is accredited by the Victorian Institute of Teaching.

ENGINEERING

Johanis Bay, PhD in Electrical and Electronic Engineering

"I chose VU for my PhD because of the positive experience I had when I did my VU masters. VU is very aware of the needs of international students and provides much help for us to achieve success in our studies.

VU has the best academic atmosphere — other students in my research group are always willing to help, the lecturers have a good reputation in industry research, and the facilities are perfect for my own research.

When I finish my PhD, I plan to pursue a career back home in Indonesia as a lecturer."

Master of Engineering

CODE: NMEN | CRICOS: 084876G

CAMPUS

Footscray Park

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$12,900 per semester

DURATION

2 years (4 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher in the study area of engineering, science or information technology
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

Students with a four-year engineering degree recognised by NOOSR (or other accrediting body) are eligible to apply for a 48 credit point exemption, to be assessed on an individual basis.

The Master of Engineering prepares students for a specialised career in the fast-growing electrical power and telecommunications industries with a strong emphasis on real-world problem-solving and international trends.

Students acquire specialised skills through a combination of coursework, design exercises and research, with the opportunity to develop and implement innovative telecommunication and power distribution solutions.

You will benefit from the College of Engineering and Science's facilities and strong research capabilities in electrical and electronic engineering, rated at 'well above world standard' (ranking of 5) in the latest Excellence in Research for Australia results.

SPECIALISATIONS

- **Electrical Power** - this specialisation develops students' expertise in power systems, specifically those relevant to the contemporary Smart electricity system
- **Telecommunications** - this specialisation is designed to develop expertise in the telecommunications field, in particular wireless and network engineering – the current growth drivers of the global telecommunications industry.

GRADUATE OUTCOMES

This industry-relevant course prepares students for a career in power generation, transmission, distribution, management and control (Electrical Power specialisation); or managing, designing and developing telecommunication network systems (Telecommunications specialisation).

Graduates can find employment in a range of organisations including telecommunications operators and equipment manufacturers; microelectronic and electronic design companies; and power generation and distribution corporations.

Graduates of this course will be prepared for a career in engineering as an Instrument Designer, Energy Economist, Telecommunications Engineer, Telecommunications Network Engineer, Power Engineer Supervisor or Power Project Coordinator.

UNITS AND ELECTIVES

To complete the Master of Engineering degree students will be need to complete 192 credit points in total consisting of:

- 48 credit points of common interdisciplinary components, including no more than one (1) unit taken from any masters-level unit offered by the University
- 48 credit points of research units. Research topics must be aligned with the chosen specialisation
- 48 credit points of the Telecommunication or Electrical Power specialisation
- 48 credit points from any units listed in the list of general electives or any of the specialisation units.

COMMON INTERDISCIPLINARY UNITS

Select 48 credit points from the following:

- Principles of Project Management
- Project Planning and Control
- Project Management and People
- Work and Organisation Systems
- Strategic Management and Business Policy
- Art and Practice of Leadership

Or students may substitute 12 credit points (equivalent to 1 unit) taken from any masters-level course offered by the University.

RESEARCH UNITS

Select 48 credit points from the following:

- Research Project A
- Research Project B

Or

Research Project

ELECTIVE UNITS

- Networking Systems
- Information Security
- Sensor Networks
- Project Risk Management
- Project Procurement Management
- HDL and High Level Synthesis
- EDA Tools and Design Methodology
- RF and Mixed Signal Design
- Microwave Electronic Circuit Design

SPECIALISATION UNITS - TELECOMMUNICATIONS

Core Units

- Communication Theory
- Wireless Communication Subsystems

Specialisation Electives - select a minimum 24 credit points from the following:

- Optical Communication
- Communication System Modelling and Simulation 1
- Communication System Modelling and Simulation 2
- Microwave and Satellite Communication Systems
- Mobile and Personal Communication Systems
- Digital Signal Processing

Not all specialisation electives will be available for each semester.

SPECIALISATION UNITS - ELECTRICAL POWER

Core Units

- Power Generation
- Transient Analysis, Stability and Surge Protection

Specialisation Electives - select minimum 24 credit points from the following list of units:

- Overhead Design and Construction
- Underground Design and Construction
- Power Quality and Harmonics
- Insulation Co-ordination and Sub-station Design Principles
- National Electricity Market and Regulation Principles
- Environmental Issues and Sustainability

Not all specialisation electives will be available for each semester.

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/nmen

Master of Project Management

CODE: NMPM | CRICOS: 083306F

CAMPUS

Footscray Park

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$12,200 per semester

DURATION

2 years (4 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

Applicants with a bachelor degree in construction management, business management, information systems, logistics or supply chain management can apply for credit (advanced standing).

Designed to meet the needs of potential managers, this course will enable you to take on the role of an effective project manager.

By incorporating authentic work-based scenarios, and projects, as well as opportunities for research, this course ensures relevance for those concurrently employed and wanting to broaden their professional expertise, or others wanting to pursue higher level, applied scholarship.

GRADUATE OUTCOMES

Progress in a variety of project management careers in areas such as:

- engineering
- construction
- business
- information technology
- administration.

Graduates will be capable of working as a Project Manager, Project Coordinator and other project management roles.

ORGANISATIONS EMPLOYING PROJECT MANAGEMENT GRADUATES

You could gain employment managing projects in private business or the public sector working for companies such as Grocon or Leighton Contractors or for a project management consulting firm.

PROJECT MANAGEMENT IN DEMAND

Traditionally found only in construction, project management has become recognised in the past 30 years as so critical to business operations, it has expanded to include almost every industry. It is also now recognised as requiring significant training and qualifications.

UNITS AND ELECTIVES

The Master of Project Management course is a 192 credit points (16 units), two-year full-time award. The degree consists of:

- core units (84 credit points)
- project management elective units (108 credit points).

Up to 48 credit points can be taken from outside the specified elective list. Students from non-cognate discipline will be required to complete Fundamentals of Project Management, Project Management Practice, Project Program and Portfolio Management and Sustainable Project Management units.

CORE UNITS

- Principles of Project Management
- Project Planning and Control
- Project Governance
- Project Management and People
- Research Methods

And

- Project Management Research Project

ELECTIVE UNITS

- Fundamentals of Project Management
- Project Program and Portfolio Management
- Sustainable Project Management
- Project Management Practice
- Project Management and Information Technology
- Project Risk Management
- Project Construction Management
- Project Procurement Management
- Facility Life Cycle Costing
- Project Investment Analysis
- Project Stakeholder Management
- Work and Organisation Systems
- Global Leadership
- Managing Innovation and Entrepreneurship
- Organisation Change Management

Up to 48 credit points (4) units at graduate diploma/masters-level subject to course coordinator approval.

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/nmpm

HEALTH SERVICES AND PSYCHOLOGY

The four-level Western Centre for Health Research and Education (WCHRE) facility at Sunshine Hospital is a three-way partnership between VU, Western Health and the University of Melbourne.

The facility contains state-of-the-art teaching and research spaces for our students in nursing and paramedical science to gain outstanding practical education close to our St Albans Campus.

Graduate Diploma in Psychology

CODE: AGPS | CRICOS: 017946K

CAMPUS

Footscray Nicholson

INTAKES

2016: February intake

FEES

2016 Tuition Fee: A\$10,300 per semester

DURATION

1 year (2 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a psychology degree equivalent to an Australian undergraduate (bachelor) degree or higher
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

The equivalent psychology degree needs to contain an Australian Psychology Accreditation Council (APAC) accredited specialisation in Psychology (or equivalent). Relevant experience in either private or public sector organisations will be an advantage.

Applicants may also be interviewed (a written submission may be an acceptable alternative if an interview cannot be organised) and requested to provide academic letters of recommendation (referee forms) to assess their suitability for the course.

You can find the relevant Referee Report form from the course web page www.vu.edu.au/courses/international/agps

PROFESSIONAL RECOGNITION

This course is fully accredited by the Australian Psychology Accreditation Council (APAC).

Accredited Course

The Graduate Diploma (Honours) program provides advanced levels of theoretical study and applied aspects within Psychology at fourth-year level. This builds on knowledge developed in undergraduate Psychology, Arts or Science courses.

By selection of appropriate units of study, you can pursue a focus that falls into one of three areas: organisational psychology, community psychology and health research.

The program aims to develop skills in critical analysis and independent research in Psychology and to prepare you for postgraduate research or professional careers.

GRADUATE OUTCOMES

This course is recognised as a fourth year in psychology by the Australian Psychological Accreditation Council (APAC). Graduates are eligible to become probationary psychologists with the Victorian Psychologists Registration Board.

UNITS AND ELECTIVES

To qualify for the award Graduate Diploma in Psychology, students must complete a total of 96 credit points.

YEAR 1, SEMESTER 1

- Field Research
- Professional Orientation (Psychological Assessment)

Plus 1 of the following:

- Social Research Methods in Context - Quantitative
- Social Research Methods in Context - Qualitative

YEAR 1, SEMESTER 2

- Extended Field Research
- Psychology in Practice

Plus 1 elective selected from the following:

- Community Psychology
- Current Issues in Psychology A
- Principles and Practice of Cognitive Behaviour
- Domestic Violence and Sexual Assault
- Cross-Cultural Issues in Counselling

Note that not all electives are available every year.

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/agps

Master of Counselling

CODE: AMPE | CRICOS: 042907J

CAMPUS

City Flinders, St Albans

INTAKES

2016: February intake

FEES

2016 Tuition Fee: A\$10,300 per semester

DURATION

2 years (4 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

In addition, applicants will need to:

- provide academic and/or professional references.

You can find the relevant Referee Report form from the course web page www.vu.edu.au/courses/international/ampe

The Master of Counselling will extend your expertise in counselling theory and practice through:

- psychological theory relevant to your workplace and interests
- counselling interventions and psychological therapies
- practical skills through industry-based learning and placement

You can specialise in one of two streams:

- adult
- child and adolescent

Please note this course is not accredited by the Australian Psychological Society (APS).

GRADUATE OUTCOMES

Graduates find employment in human services fields such as:

- multicultural services
- counselling
- family support
- community work
- refugee services
- youth work.

UNITS AND ELECTIVES

YEAR 1, SEMESTER 1

- Individual Awareness
- Theories and Techniques of Counselling
- Child and Adolescent: Theories and Techniques of Counselling
- Social and Ethical Issues in Counselling

YEAR 1, SEMESTER 2

- Principles and Practice of Cognitive Behaviour
- Applied Techniques of Counselling
- Research Methods in Counselling
- Elective

YEAR 2, SEMESTER 1

- Advanced Counselling Interventions
- Practicum 1
- Minor Thesis

YEAR 2, SEMESTER 2

- Practicum 2
- Minor Thesis
- Counselling for Addictions

ELECTIVES

Students may select an elective unit from the following:

- Domestic Violence and Sexual Assault
- Applied Techniques of Grief Counselling
- Child and Family Development
- Cross-Cultural Issues in Counselling

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/ampe

INFORMATION TECHNOLOGY

Ajay Shama. Masters of Applied Information Technology

"I come from a beautiful city in Punjab, India. One of my neighbours suggested Victoria University and when I researched VU, I found out about its range of courses, campuses and achievements.

VU lecturers have industry strengths and provide a supportive, stimulating and empowering environment for students. I've learned how to think clearly and express myself precisely. And VU's support services always help me, whether it is related to my course, fees or any other issue."

Master of

Applied Information Technology

CODE: NMIT | CRICOS: 083307E

CAMPUS

Footscray Park, VU Sydney

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$11,500 per semester

DURATION

2 years (4 semesters) of study

Information on this page refers to this course as offered in Melbourne. For information about VU Sydney visit www.vu.edu.au/vu-sydney

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree in the study area of information technology, computer science, computing, information systems or computer engineering
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

Applicants with a bachelor degree in information technology, computer science, computing, information systems or computer engineering can apply for credit (advanced standing) towards specific coursework units for up to 4 units (48 credit points).

Boost your career prospects and become highly employable with a postgraduate qualification in IT.

The Master of Applied Information Technology is a flexible course, providing advanced training in Information Technology for students with an IT undergraduate qualification.

Apply your knowledge and skills to real-world problems and scenarios in this practical, focused course.

Graduates are also eligible to undertake further study and enter a Master by Research and PhD degrees. The course complements the existing Bachelor of Information Technology (Network and Systems Computing).

GRADUATE OUTCOMES

Make your next move into a career which could include cutting-edge IT roles in cloud computing, data mining and sensor networks.

This course will prepare you for a career in:

- ICT training
- project management
- data warehousing
- IT consultancy
- networking administration
- networking
- software development/engineering.

UNITS AND ELECTIVES

The Master of Applied Information Technology degree is a 192 credit point (16 unit), two-year full-time award.

The degree consists of IT units, project management units and research-based units. Students can choose between a 24 credit point thesis (Thesis 1 and 2), or a 48 credit point thesis (Thesis 3 and 4).

YEAR 1, SEMESTER 1

- Networking Systems
- Database Analysis and Design
- Principles of Project Management
- Software Engineering

YEAR 1, SEMESTER 2

- Cloud Computing
- Advanced Object Oriented Programming
- Project Management and Information Technology
- Information Security

YEAR 2, SEMESTER 1

- Advanced Wireless Networking - elective unit
- Mobile Applications - elective unit
- Introduction to Research
- Thesis 1

Students can choose to study Thesis 3 instead of Thesis 1 and one elective unit.

YEAR 2, SEMESTER 2

- Sensor Networks - elective unit
- Advanced Project
- Data Warehousing and Mining - elective unit
- Thesis 2

Students can choose to study Thesis 4 instead of Thesis 2 and one elective unit.

ADDITIONAL ELECTIVES

- Project Stakeholder Management
- Project Planning and Control

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/nmit

Master of Business Analytics

CODE: BMAD | CRICOS: 084110K

CAMPUS

City Flinders

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$11,500 per semester

DURATION

1.5 years (3 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a business degree equivalent to an Australian undergraduate (bachelor) degree in the study area of information technology, information systems or computer science; or
- completed a degree equivalent to an Australian undergraduate (bachelor) degree in an unrelated study area followed by an appropriate business graduate certificate in the study area of information technology, information systems or computer science
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

Victoria University is one of the world's leading institutions in enterprise resource planning (ERP) systems (SAP) education, having strong links with the ERP industry.

We offer one of the most comprehensive ERP and business analytics curricula in the world covering areas such as business process management, supply chain management, business intelligence, customer relationship management, change management, programming, implementation, strategy development, configuration and administration.

GRADUATE OUTCOMES

This course is designed to appeal to a wide span of disciplines. The traditional information technology and information systems fields have evolved with the rapid deployment of ERP suites that now encompass all functions in large organisations.

The course provides several opportunities for:

- technology bachelor graduates (information technology/information systems/computer science) who wish to gain a foothold in corporate ERP/SAP organisations
- technology analysts who wish to transition to a business analytics role
- business analysts (working in a non-SAP organisation) who wish to transition to an SAP-based organisation
- business professionals (working in an SAP organisation) who wish to obtain career advancement via an SAP role.

The course will position graduates in the ERP industry with employment roles in:

- global and domestic organisations either in direct SAP-related fields
- more widespread functional roles
- specialised bodies of knowledge in analytics or business intelligence roles or other ERP areas
- SAP business intelligence administration roles, and, SAP process roles where business analytics roles are required including business analysis, information prediction and financial, logistics, human resources, and supply chain analysis.

UNITS AND ELECTIVES

To attain the award of Master of Business Analytics, students must successfully complete the following:

- 24 credit points (equivalent to 2 units) foundation units
- 84 credit points (equivalent to 7 units) specialisation units
- 36 credit points (equivalent to 3 units) based on 2 research options.

YEAR 1, SEMESTER 1

- Business Research Methods
- Business Analytics
- Business Process Engineering
- Enterprise Resource Planning Systems

YEAR 1, SEMESTER 2

- Business Intelligence Systems
- Enterprise Systems Strategy
- The Information Systems Professional

Plus

Option 1

12 credit points (equivalent to 1 unit) elective unit. Students to select from any postgraduate units across the University (subject to availability).

Or

Option 2

- Business Research Proposal

YEAR 2, SEMESTER 1

- Predictive Analytics
- Executive and Mobile Computing

Plus

Option 1

- Business Research Project

12 credit points (equivalent to 1 unit) elective units. Students to select from any postgraduate units across the University (subject to availability).

Or

Option 2

- Business Research Thesis

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/bmad

Master of Business Analytics (Professional)

CODE: BMBI | CRICOS: 083297B

CAMPUS

City Flinders, VU Sydney

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$11,500 per semester

DURATION

2 years (4 semesters) of study

Information on this page refers to this course as offered in Melbourne. For information about VU Sydney visit www.vu.edu.au/vu-sydney

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher; or
- completed a graduate certificate or graduate diploma and have a minimum of three years of relevant professional experience
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

Become an industry leader in enterprise resource management planning (ERP) systems with a career in business analytics.

The University has strong links with the ERP industry and is a leader in SAP education, offering one of the most comprehensive ERP and Business Analytics programs in the world.

This unique course presents a comprehensive suite of SAP Business Intelligence/Business Analytics (BI/BA) software applications and technology that will ensure you remain in high demand for today's business organisations.

GRADUATE OUTCOMES

You will have the opportunity to work in global and local organisations in direct SAP-related fields, or more functional roles in analytics, business intelligence or other ERP roles.

This course provides opportunities for:

- Information technology, information systems and computer science graduates looking to gain a foothold in corporate ERP / SAP organisations
- Technology analysts looking to move into a career in business analytics
- Business analysts looking to move to an SAP-based organisation
- SAP professionals looking to expand their career opportunities.

UNITS AND ELECTIVES

To attain the award of Master of Business Analytics (Professional), students must successfully complete the following:

- 48 credit points (equivalent to 4 units) core units
- 24 credit points (equivalent to 2 units) foundation units
- 84 credit points (equivalent to 7 units) specialisation units
- 36 credit points (equivalent to 3 units) based on 2 research options.

YEAR 1, SEMESTER 1

- Business Statistics
- Information Technology Project Management
- Enterprise Resource Planning Systems
- Work and Organisation Systems

YEAR 1, SEMESTER 2

- Business Research Methods
- Business Analytics
- Business Process Engineering
- Management of Information Technology

On completion of a minimum of eight units, students may exit the Master of Business Analytics (Professional) with a Graduate Diploma in Business Analytics if they meet graduation requirements of that course.

YEAR 2, SEMESTER 1

- Business Intelligence Systems
- Enterprise Systems Strategy
- The Information Systems Professional

Plus

Option 1

12 credit points (equivalent to one unit) from any of the university postgraduate courses (unit offering is subject to availability).

or

Option 2

- Business Research Proposal

YEAR 2, SEMESTER 2

- Predictive Analytics
- Executive and Mobile Computing

Plus

Option 1

- Business Research Project

12 credit points (equivalent to one unit) from any of the university postgraduate courses (unit offering is subject to availability).

or

Option 2

- Business Research Thesis

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/bmbi

Master of Business (Enterprise Resource Planning Systems)

CODE: BMES | CRICOS: 083296C

CAMPUS

City Flinders, VU Sydney

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$11,500 per semester

DURATION

2 years (4 semesters) of study

Information on this page refers to this course as offered in Melbourne. For information about VU Sydney visit www.vu.edu.au/vu-sydney

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher; or
- completed a graduate certificate or graduate diploma and have a minimum of three years of relevant professional experience
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

This course provides an information systems perspective to enterprise resource planning (ERP) systems, with an emphasis on SAP R/3.

Develop the computing and business skills necessary to support the implementation and maintenance of ERP systems and gain an understanding of the strategic implications these systems have on a business.

You will learn using latest SAP solutions which include business information warehouse, business objects, business intelligence, customer relationship management, advance planner and optimiser, solution manager and NetWeaver components.

The University has strong links with the ERP industry and is a leader in SAP education, offering one of the most comprehensive ERP and Business Analytics programs in the world.

GRADUATE OUTCOMES

Graduates of Victoria University's Master of Business (Enterprise Resource Planning Systems) are highly sought after in the ERP/SAP industry. You'll gain hands-on experience and learn from teachers who are experts in their field.

This course will prepare you for a career as an ERP Analyst, Business Software Manager, SAP Business Consultant or other senior and leadership roles in ICT.

Employment for ICT Managers is expected to grow very strongly over the next five years (Job Outlook).

ORGANISATIONS EMPLOYING MASTER OF BUSINESS ERP GRADUATES

Our graduates have gained employment in some of Australia's top organisations including Accenture Australia, Linfox, IBM and Australia Post.

UNITS AND ELECTIVES

The Master of Business (Enterprise Resource Planning Systems) is a 192 credit point (16 unit) degree. The degree has four main components:

- 48 credit points (equivalent to 4 units) core units of essential business knowledge, particularly for students from a non-related field of study
- 24 credit points (equivalent to 2 units) foundation units
- 84 credit points (equivalent to 7 units) specialisation units including 4 core ERP units and three functional ERP units
- 36 credit points (equivalent to 3 units) based on 2 research options.

YEAR 1, SEMESTER 1

- Management of Information Technology
- Information Technology Project Management
- Enterprise Resource Planning Systems
- Work and Organisation Systems

YEAR 1, SEMESTER 2

- Business Research Methods
- Computerised Accounting in an ERP System
- Business Process Engineering
- Business Analytics

On completion of a minimum of eight units, students may exit the Master of Business (Enterprise Resource Planning Systems) with a Graduate Diploma in Business (Enterprise Resource Planning Systems) if they meet graduation requirements of that course.

YEAR 2, SEMESTER 1

- Customer Relationship Management
- Executive and Mobile Computing
- Organisation Change Management

Select 12 credit points from either:

- Business Research Proposal

Or

12 credit point postgraduate elective (1 unit) from any of the University postgraduate courses (unit offering is subject to availability)

YEAR 2, SEMESTER 2

- Enterprise Resource Planning Systems Implementation
- The Information Systems Professional

Option 1

- Business Research Project

And

12 credit point postgraduate elective (1 unit) from any of the University postgraduate courses (unit offering is subject to availability)

Or

Option 2

- Business Research Thesis

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/bmes

SOCIAL, COMMUNITY AND YOUTH DEVELOPMENT

Maria Lourdes D. Boone. Graduate Diploma of International Community Development

"I received an Australian Award in 2013, which gave me the opportunity to study in Australia. VU offered the best curriculum in international community development, and I started my Graduate Diploma in mid-2014. Interacting with the multicultural environment at VU is also one of the best things about VU.

Going back to my home country and applying what I have learned is my next step. I hope to contribute solutions to the local needs and problems in the Philippines."

Master of

International Community Development

CODE: AMCD | CRICOS: 083312G

CAMPUS

Footscray Park

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$9,000 per semester

DURATION

2 years (4 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent

Applicants with a bachelor degree in community development or social work can apply for credit (advanced standing) towards specific coursework units up to 4 units (48 credit points).

Take the leading role in community development and get involved in social and economic change, human rights, and sustainable development at a global or local level.

This unique, practical and popular postgraduate program offers you a personalised education, including workplace training that will ensure you gain the practical skills and intellectual know-how to be a more capable and skilled professional in real world settings.

Key study areas include community development theories and practices, international project design, planning and management, social research and evaluation, understanding globalisation and its impacts on communities, leadership in community development and governance of international organisations.

We're one of the few universities in Australia that offers regional and contextual studies (e.g. Latin America, Africa and Asia) in community development.

GRADUATE OUTCOMES

Graduates of this course can work in a diverse range of fields including international humanitarian and development aid.

This course could lead to a career as an International Consultant (in areas of human rights, gender, poverty reduction and project evaluation), International Project Manager (eg. Australian Red Cross and World Vision), Government Employee (eg. local and federal government), Community Development Educator, International Project Manager, Journalist or as a Researcher.

UNITS AND ELECTIVES

The Master of International Community Development (AMCD) is a 192 credit point course. The course has four main components:

- A semester to equip students with essential community development knowledge, practical skills and applications. This is particularly for students from a non-cognate background
- Six foundation or core units
- Six elective units chosen from three specialisations
- A research component consisting of either (a) community-based research or (b) research thesis.

YEAR 1, SEMESTER 1

- Community Development: Theory and Practice
- Community Development: Project Planning and Management
- Building Capacity and Mobilising Civil Society

Plus one elective unit.

YEAR 1, SEMESTER 2

- Research Methods
- Transnational Gender Issues and Human Rights

Plus two elective units.

YEAR 2, SEMESTER 1

Students have the option of completing a Community-based Research or a Research Thesis.

Option 1

- Community-Based Research (Part 1)
- Conflict Resolution in Groups and Communities

Plus one elective unit.

Or

Option 2

- Research Thesis (Part 1)
- Conflict Resolution in Groups and Communities

Plus one elective unit.

On completion of a minimum of four units, students may exit the with a Graduate Certificate in International Community Development if they meet graduation requirements of that course.

On completion of a minimum of eight units, students may exit the with a Graduate Diploma in International Community Development if they meet graduation requirements of that course.

YEAR 2, SEMESTER 2

Students have to complete the Part 2 of their previously enrolled Community-based Research or a Research Thesis.

- Community-Based Research (Part 2)

Plus two elective units.

Or

- Research Thesis (Part 2)

Plus two elective units.

ELECTIVE UNITS

Recommended electives: Note that only a selection of these electives will be offered each semester.

Electives focusing on regional and contextual issues:

- Interpreting 'Asia' and the 'Pacific'
- Timor Leste: History, Politics and Society
- Oceania in the Modern World
- Latin America: Roots and Radicalism
- Contemporary Africa and Social Change

Electives focusing on specific area of studies and skill sets:

- Approaches to Globalisation
- Regional and International Organisations and Policy
- Engaging Communities for Sustainability
- Human Rights Theory and Practice
- Migration, Culture and Identity
- Peace, Violence and Conflict
- Women and International Development
- Management in Non-Government Organisations
- Conflict Resolution in Groups and Communities
- HIV/AIDS and International Development

SPORTS AND EXERCISE SCIENCE

Mat Inness. PhD in Sport and Exercise Science

"I played professional cricket for more than a decade and needed further education to help me once I retired from the game.

I chose VU because of its links to professional sporting organisations, outstanding research facilities and well-respected staff. My supervisor was one of my first teachers during my undergraduate degree.

My PhD looks at altitude training for enhancing team sport athlete performance. At VU, students are offered placements at elite sporting teams, elite athletes are supported with flexible study, and sporting clubs get access to facilities and the latest research."

Master of Clinical Exercise Science and Rehabilitation

CODE: AMEP | CRICOS: 077582C

CAMPUS

Footscray Park

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$10,800 per semester

DURATION

1.5 years (3 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Exercise and Sports Science Australia (ESSA) accredited Australian undergraduate (bachelor) exercise science degree or higher
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

Applicants should be able to provide evidence of ESSA Exercise Science membership (or eligibility to apply) *.

* If in doubt as to whether your prior study would meet current ESSA Exercise Science requirements, complete sections E-G of the Graduate Entry Assessment Application Form - NUCAP form and submit this with your application. This form can be found on the ESSA website: www.essa.org.au/membership/membership-types/graduate-entry

PROFESSIONAL RECOGNITION

The Master of Clinical Exercise Science and Rehabilitation is accredited by Exercise and Sports Science Australia (ESSA) as an approved course for the provision of Clinical Exercise Physiology training.

The Master of Clinical Exercise Science and Rehabilitation is accredited with Exercise and Sports Science Australia (ESSA), providing the opportunity for registration with ESSA as an accredited Exercise Physiologist.

This program follows a 'research' or 'evidence-based' teaching approach regarding the scope of practice of clinical exercise physiology. By completing the Master of Clinical Exercise Science and Rehabilitation you will be academically prepared to apply for a PhD pathway if you take the optional research component that is embedded within this course.

Throughout your studies you will gain experience in clinical placement in hospitals, industry and the broader community.

GRADUATE OUTCOMES

With a postgraduate qualification in Clinical Exercise Science, you'll be at the forefront of helping those with chronic conditions or complex care needs. You'll gain hands-on training that will prepare you to work in specific areas such as women's health, aged care and occupational health and safety.

On completion of this course, you will be prepared to enter into a career as an Exercise Psychologist.

Employment for life scientists (physiologists) is expected to grow strongly at least until 2018 (Job Outlook).

Employment for physiotherapists is expected to grow strongly at least until 2018 (Job Outlook).

ORGANISATIONS EMPLOYING CLINICAL EXERCISE SCIENCE GRADUATES

Graduates can find work as accredited exercise physiologists in a hospital, community health centre, fitness centre, sporting academy, sports clinic, rehabilitation clinic or in their own private practice.

UNITS AND ELECTIVES

Students complete eight core units in the first year and either the minor thesis or research coursework units in the second year.

YEAR 1, SEMESTER 1

- Case Management for Clinical Exercise
- Exercise Assessments and Interventions for Metabolic and Respiratory Conditions
- Exercise Assessments and Interventions for Cardiovascular Conditions
- Clinical Exercise Practice

YEAR 1, SEMESTER 2

- Psychology for Rehabilitation
- Exercise Assessments and Interventions for Musculoskeletal Conditions
- Exercise Assessments and Interventions for Neurological Conditions
- Occupational Health and Exercise Rehabilitation

YEAR 2, SEMESTER 1

Students select one of two options.

Thesis option: Full-time students enrol in the following unit for one semester:

- Minor Thesis (Full-Time)

Or

Research coursework option:

- Research for Practitioners
- Advanced Integrated Case Management

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/amep

Master of

Sport Business and Integrity

CODE: SMSI | CRICOS: 087659D

CAMPUS

City Flinders

INTAKES

2016: February and July intakes

FEES

2016 Tuition Fee: A\$14,000 per semester

DURATION

1.5 years (3 semesters) of study

ADMISSION REQUIREMENTS

Applicants are expected to have:

- completed a degree equivalent to an Australian undergraduate (bachelor) degree or higher in the study area of sport (including managerial or leadership studies) or business
- obtained an IELTS (academic module) result of 6.5 with no band less than 6.0 or equivalent.

RESIDENTIAL PROGRAM IN SPAIN IN SEMESTER 2 2016

Following the signing of a unique partnership with the Real Madrid Graduate School Universidad Europea, students will participate in:

- a 1-week residential program in Madrid, Spain in September 2016
- interactive webinars delivered via videoconference technology by Real Madrid Graduate School Universidad Europea lecturers
- guest lectures delivered at Victoria University, Melbourne, by Real Madrid Graduate School Universidad Europea lecturers.

The tuition fee stated above includes a set travel and accommodation stipend to cover most of the costs associated with the overseas travel component of the Global Sport Business unit.

This course addresses the pressures that contemporary sport managers face when having to deal with their core obligations, which are implementing and delivering financially and operationally sustainable sport programs that lead to socially responsible outcomes, while ensuring they hold the values of trust, fair play, transparency, and integrity.

The Master of Sport Business and Integrity combines cutting-edge theory with intensive case analysis, best-practice strategic management, and gives students the opportunity to undertake professional-level research that can lead to doctorate studies.

The course has an applied theoretical focus, practical experience and engagement with industry, most notable of which is our partnership with the Real Madrid Graduate School Universidad Europea. This will ensure you can use the latest industry standard technologies and evidence-based practices upon graduation.

GRADUATE OUTCOMES

Graduates of the Master of Sport Business and Integrity will be suited to a range of management and leadership roles in sport business. Professional capabilities in sport integrity, sport partnerships, sport media and communication, sport facility and event management are examples that will enable graduates to maximise their management and leadership capabilities but add to sports' public value.

International agencies, national, local government and private as well as the non-profit sectors will be attracted to these graduates.

Graduates will be qualified to apply for positions as Chief Executive Officers of professional sporting clubs, General Managers of state and national governing bodies, and management positions in community development, player welfare, resource planning, team management, public relations and corporate affairs, sport venues, sport projects, sport events and sports media.

UNITS AND ELECTIVES

To attain the award of Master of Business and Integrity students must successfully complete the following:

- 120 credit points (equivalent to 10 units) core units
- 24 credit points (equivalent to 2 units) of either a thesis unit, or the Sport Business Project unit plus an elective.

YEAR 1, SEMESTER 1

- Sport Integrity and Ethics
- Sport Integrity Leadership
- Sport, Law and Regulation
- Organisation Change Management

YEAR 1, SEMESTER 2

- Sport Community Partnerships
- Sport Media and Communications
- Financial Analysis
- Research Methods

On completion of a minimum of four units, students may exit the with a Graduate Certificate in Sport Integrity if they meet graduation requirements of that course.

On completion of a minimum of eight units, students may exit the with a Graduate Diploma in Sport Business and Integrity if they meet graduation requirements of that course.

YEAR 2, SEMESTER 1

- Sport Facility and Event Management
- Global Sport Business

Plus

Option 1:

- Sport Business Project

12 Credit Points¹ elective from any postgraduate unit from the College of Sport, Business, Law or Arts

Or

Option 2

- Sport Research Thesis

For a complete list of all units and electives, pathways and entry requirements visit www.vu.edu.au/courses/international/smsi

**OUR A\$68 MILLION INSTITUTE OF
SPORT, EXERCISE AND ACTIVE LIVING
(ISEAL) BUILDING, LOCATED AT OUR
FOOTSCRAY PARK CAMPUS**

YOUR CAREER, YOUR FUTURE

GRADUATE WORK-READY

Studying at VU helps you become the kind of graduate that employers want. That's because one of our strengths is our links with industry. We are well known for engaging with business and community organisations, and have stronger connections with industry, the trades and professions than most Australian universities. We have links to more than 4000 industry bodies across all of our disciplines.

Our approach to learning combines theory with practice, and our industry links provide excellent opportunities to access 'hands-on' workplace learning. These industry links also support the development of course curricula, as industry representatives are invited to be a part of course development processes. This ensures that our graduates are job-ready and meet the needs of today's workplaces.

Among our key partners are:

- World Health Organisation (WHO)
- CSIRO – Australia's national science agency
- Real Madrid Graduate School Universidad Europea

- Brazilian Olympic Committee
- Linfox – Australia's largest privately-owned logistics company
- Australian Institute of Sport
- Western Health – manages four public hospitals in Melbourne
- City West Water
- Western Bulldogs Football Club
- Malthouse Theatre.

CAREER DEVELOPMENT AND SUPPORT

Our Career Development and support staff at VU offer career advice and other services to current students, and for up to one year after you graduate. We can help you plan your career, prepare for work or find a job in Australia – as it may be different in Australia compared with your own country. We can help you understand workplace culture in Australia, as well as provide advice on how to have your overseas qualifications assessed before entering the workforce or undertaking further study.

vu.edu.au/careers/career-services-for-students

WORKING IN AUSTRALIA

An Australian student visa permits you to work in Australia for up to 40 hours per fortnight during your study term and unlimited hours when your course is not in session. Work that is formally registered as a requirement of your course is not included in the limit of 40 hours per fortnight, nor is some voluntary or unpaid work if it meets certain conditions.

It is important to note that you cannot undertake work until you have commenced your course.

The Department of Immigration and Border Protection website provides detailed information about conditions that apply to working while you study.

border.gov.au/Trav/Stud/More/Work-conditions-for-Student-visa-holders

WORKING IN AUSTRALIA AFTER GRADUATING

Students interested in working in Australia after graduating have two options available under the Temporary Graduate visa (subclass 485) scheme: the Post-Study Work stream and the Graduate Work stream.

The Post-Study Work stream provides successful applicants with a visa of two, three or four years' duration, depending on the highest educational qualification obtained in Australia. This stream allows students of any discipline to apply; however, only certain degree-level qualifications provide eligibility, including:

- Bachelor degree
- Bachelor (honours) degree
- Masters by coursework degree
- Masters (extended) degree
- Masters by research degree
- Doctoral degree.

Other qualifications do not meet eligibility requirements, unless they are packaged with an eligible course.

The Graduate Work stream requires a qualification to be closely related to the nominated skilled occupation; however, a broader range of qualification levels are accepted for this stream, including diplomas and trade qualifications.

border.gov.au/Trav/Stud/Post

WORK INTEGRATED LEARNING

At VU we produce work-ready graduates. Our approach to learning combines theory with practice through work placements or practical learning opportunities in all of our courses. This means you gain real industry experience while developing the practical skills to become confident and career-focused. Examples are included below.

Arts students have access to a broad range of professional placement programs such as Melbourne Writers Festival, SBS Television, Malthouse Theatre and the Parliamentary Internship Program.

Business students have gained work-integrated learning experience with organisations such as the Western Bulldogs Football Club, Choice Hotels Australasia, Delaware North, Best of Victoria, Grand Hyatt Melbourne, Pinnacle People and Victoria University.

Education students have access to an extensive range of partnership organisations across Victoria and beyond, including schools, community organisations, government and universities.

Health students train at Werribee Mercy Hospital and Western Health, and much of our health research is conducted at the Western Centre for Health Research and Education at Sunshine Hospital.

Law students have access to on-site moot courts; national moot competitions; internship programs at the County and Supreme Courts, Magistrates Court and Legal Aid; and Sunshine Community Legal Service volunteer placements.

Sport and Exercise Science students have workplace learning opportunities with over 350 sport industry employers such as Australian Institute of Sport, Australian Sports Commission, Western Bulldogs Football Club, Australian Football League, Cricket Australia and Melbourne Storm.

Make-up students have the opportunity to travel to New York and get hands-on experience at New York Fashion Week.

vu.edu.au/student-placements

Master of Teaching (Secondary)	

EMPLOYER TESTIMONIALS

DR LINDSAY FOX
Founder,
Linfox Logistics

"Victoria University co-operates with Linfox in a number of ways to provide quality, professional education for school-leavers right through to working executives.

VU graduates come to work well-prepared and eager to learn. The quality of the graduates is one of the reasons we're working with VU to jointly enhance supply chain and logistics capability across Australia."

LORETTA IERARDO
National Training Manager,
Choice Hotels Australia

"We have employed many students from Victoria University and look for different qualities amongst the students such as teamwork and collaboration skills.

There have been many students who have done their one year of work placement with us and have moved into different departments within the company such as marketing and sales support."

**JASON CUNNINGHAM
AND ROBERT HADDED**
The Practice
Bachelor of Business

"VU helped breed in us a work ethic that we bring into our business success today. We employ over 40 staff, some of whom are VU graduates.

Our lecturers taught us more than just the discipline of business and accounting. We learnt to think independently, take pride in our study and bring the best to whatever we do.

It's great to be in a position today where we can offer VU students work experience in our business."

ALUMNI TESTIMONIALS

IFFAT KHATOON

"I worked as a teacher in Pakistan for five years before moving to Australia with my family. I decided to complete the Master of Teaching because I needed to better understand the theories behind learning and teaching in this country.

VU also has a good reputation in the field of education and I liked the accessible, multicultural environment. The practical component of my course prepared me for the classroom where I spent 65 days observing and teaching at secondary schools.

I've successfully applied different teaching strategies in my role as a Grade 6 teacher. I've become a more conscious teacher and am in a better position to help students realise their potential."

Iffat Khatoon
Master of Teaching, 2012

Iffat Khatoon was awarded a University Medal of Excellence for her outstanding academic achievement.

BALENDRAN KANDEBAN

The VU MBA alumnus and host of the Sri Lankan game show 'Who Wants to be a Millionaire?' was the youngest Channel Head of a leading radio station in India while completing his Master of Business Administration at Victoria University - a testament to his energy and multitasking skills. He is known to be an inspiring corporate leader with high integrity and the ability to envision and create successful outcomes in complex business situations.

"VU gave me a strong foundation to change the way I looked at things and taught me to create opportunities and challenge circumstances."

Balendran Kandeban
Master of Business Administration

PANARAT CHOMCHUEN

"I was an overseas student, initially poor in English. The teaching staff at VU were always helpful and open. They understood our language barriers and cultural differences, and always worked to help us succeed.

After graduating I went straight into a job with Linfox, one of Australia's biggest supply and logistics companies."

Panarat Chomchuen
Master of Business (Global Logistics and Transport)

JIANHUA ZHANG

"I worked as a chemical engineer in China but was looking to further my research studies and decided to pursue a PhD in chemical engineering at VU. I began my research program, focusing on recycling seawater and wastewater using membrane distillation.

The success of my research project led me to become a Research Fellow at VU's Institute for Sustainability and Innovation."

Jianhua Zhang
Doctor of Philosophy

Research Degree Graduate of the Year 2011

RESEARCH AT VU

Joining Victoria University (VU) as a research student provides you with an opportunity to work on world-leading research projects, with world-class researchers. At VU we take a multidisciplinary approach to our research and strive to develop innovative technologies that benefit students, industry and the broader community.

Whether our researchers are working alongside pre-school teachers, Olympic athletes in performance training, Timor Leste farmers on permaculture practices, or in collaboration with the Chinese Government on environmental sustainability, we consider our partnerships to be long-term, mutually beneficial relationships. We inspire and support research students to set new standards and make a substantial contribution to their field.

Our research students publish in top-quality journals with high impact. In 2014, over 100 students graduated with a research degree from VU. Our graduates work in industry, government and academia and are leading research in their fields and building new generations of researchers all around the world.

CLOCKWISE FROM LEFT: DR ELIZABETH VERGHESE, DR XIAOXIA YIN, PROFESSOR JOHN ORBELL, DR LAWRENCE NGEN, DR GHADA AL DREES, DR ROBERT AUGHEY.

OUR WORLD-LEADING RESEARCH

DR ELIZABETH VERGHESE

Award-winning College of Health and Biomedicine researcher Dr Elizabeth Verghese is leading ground-breaking research into developing a kidney cancer vaccine which could dramatically change the outlook for kidney disease sufferers.

DR XIAOXIA YIN

Centre for Applied Informatics researcher, Dr Xiaoxia Yin, is developing advanced image processing techniques to accurately visualise the size and shape of cancer tumours in 3D. The research has powerful implications for the more than 1.3 million women diagnosed with breast cancer worldwide each year.

DR ROBERT AUGHEY

Associate Professor Dr Robert Aughey has led a team of sport scientists conducting the world's first comprehensive study into the effects of high altitude training on soccer players. Results have been delivered to peak sporting bodies for use in evidence-based performance training.

PROFESSOR JOHN ORBELL

Professor John Orbell and his research team invented an award-winning tool for saving penguins and other animals caught in oil spills. The hand-held portable device uses magnetic particle technology to remove oil from animals in a faster, more effective and less invasive way than traditional methods.

DR GHADA AL DREES

Ghada Al Drees, a scholarship recipient from Saudi Arabia's Ministry of Higher Education and Victoria University, graduated with her PhD in 2015. She examined the marketing of Saudi fragrances in an increasingly cosmopolitan marketplace and how they can hold their place in the local market given the overwhelming exposure many Saudis now have to Western fragrances. Ghada's research can inform strategic marketing for the country's A\$270 million perfume industry.

VU'S RESEARCH EXCELLENCE

With 15 research disciplines ranked at or above world standard in the Excellence in Research Australia (ERA) assessments, Victoria University offers world-class research opportunities.

We are 'well above world standard' in:

- electrical and electronic engineering
- human movement and sports science
- pharmacology and pharmaceutical sciences.

We are 'above world standard' in:

- applied mathematics
- medical physiology.

We are 'world standard' in a wide range of further disciplines:

- artificial intelligence and image processing
- distributed computing
- chemical engineering
- civil engineering
- food sciences
- nursing
- social work
- psychology
- performing arts and creative writing
- cultural studies.

In 2015 we have:

- over 700 research students in doctoral and masters research degrees
- 300 registered supervisors who are experts in their fields and have a wide range of methodological expertise.

OUR RESEARCH STRENGTHS

When you undertake a research degree at Victoria University, you have the opportunity to specialise in one of our areas of research focus. These areas are supported by expertise from the University's colleges, research partners and institutes and research centres.

vu.edu.au/research-focus

COLLEGE-BASED RESEARCH

Victoria University's academic colleges are nationally and internationally recognised for their research excellence.

COLLEGE OF ARTS

- practice-led research in the creative arts
- community, identity, cultural diversity, and displacement
- psychological and social health and wellbeing.

COLLEGE OF BUSINESS

- supply chain and logistics, international supply chain performance and port management optimisation
- tourism innovation, entrepreneurship and international transformation

- multidisciplinary exploration of performance effectiveness and service models in health care
- economic modelling/economic impact of policy and government strategy
- multidisciplinary analysis of business pedagogy and design of industry-relevant professional education.

COLLEGE OF EDUCATION

- early childhood
- curriculum and pedagogy as complex conversations
- learning across boundaries (learning for, at and beyond work)
- teacher education for diversity
- youth work.

COLLEGE OF ENGINEERING AND SCIENCE

- alternative energies, smart energy applications and devices
- applied ecology and conservation management
- applied mathematics and statistics
- engineered packaging and distribution
- structural mechanics and sustainable materials
- telecommunications, electronics, photonics and sensors
- water resource planning and asset management.

COLLEGE OF HEALTH AND BIOMEDICINE

- pharmacology and pharmaceutical sciences
- medical physiology
- lifestyle-influenced diseases
- psychosocial health
- cancer and inflammatory conditions
- nursing
- food sciences
- environmentally sustainable Australia
- promoting and maintaining good health
- frontier technologies for building and transforming Australia.

COLLEGE OF LAW AND JUSTICE

- governance and regulation
- the scholarship of legal education
- international law
- courts and justice.

COLLEGE OF SPORT AND EXERCISE SCIENCE

- sport science
- active living across the lifespan
- active living and public health
- clinical exercise science
- muscle and exercise metabolism
- sport in society.

vu.edu.au/college-research

RESEARCH AT VU

RESEARCH PARTNERS

Each of our key research focus areas offers opportunities to collaborate with high profile partnership organisations and institutions.

APPLIED INFORMATICS

- CSIRO
- Chinese Academy of Sciences
- Royal Brisbane and Women's Hospitals
- Nanjing University of Finance and Economics (China)
- Fudan University (China).

CREATIVE ARTS AND WRITING

- SBS Television
- Australian Centre for the Moving Image
- Baryshnikov Arts Centre (NY)
- Malthouse Theatre.

DIVERSITY, COMMUNITIES AND WELLBEING

- Footscray Community Arts Centre
- Western Health
- Victoria Police
- Australia–New Zealand Counter-Terrorism Committee.

EDUCATION AND LIFELONG LEARNING

- University of Texas (El Paso)
- Hong Kong Institute of Education
- National Centre for Vocational Education Research.

FOOD SCIENCES AND NUTRITION

- Dairy Innovation Australia
- Regional Victoria Food Clusters
- Fonterra Co-operative
- Department of Primary Industries.

HEALTH AND BIOMEDICINE

- Western Health
- Australian Sports Commission
- Turning Point Alcohol and Drug Centre
- University of Texas (El Paso)
- University of Malaya (Malaysia).

SPORT, EXERCISE SCIENCE AND ACTIVE LIVING

- Australian Institute of Sport
- Western Bulldogs Football Club
- Brazilian Olympic Committee
- Australian Sports Commission
- Loughborough University (UK).

STRATEGIC ECONOMICS AND FINANCE

- World Health Organisation
- China Energy Research Institute
- Department of State Development, Business and Innovation
- Bushfire CRC
- Central University of Finance and Economics (China).

SUPPLY CHAIN AND LOGISTICS

- Victorian Transport Association
- Chartered Institute of Transport and Logistics Australia
- Universidad de la Sabana (Colombia)
- Chartered Institute of Purchasing and Supply Chain (CIPS).

SUSTAINABILITY AND INNOVATION

- CSIRO
- Water Research Australia
- Australian Water Recycling Centre of Excellence
- National Centre of Excellence for Desalination
- Fire Protection Research Foundation (USA).

INSTITUTES AND RESEARCH CENTRES

Our institutes and research centres offer specialised research, consultancy, advice and tailored learning.

- Institute of Sport, Exercise and Active Living: Research in sport, exercise science and active living
- Institute for Supply Chain and Logistics: Research in infrastructure development
- Institute for Sustainability and Innovation: Research in sustainable technologies
- The Victoria Institute: Research in the improvement of educational experiences

- Victoria Institute of Strategic Economic Studies and Centre of Policy Studies: Research into key economic policy decisions of private and public sectors
- Mitchell Institute for Health and Education Policy: Research into the quality of health and education policy in Australia
- Centre for Applied Informatics: Multidisciplinary research in health care, community, business and environment
- Centre for Chronic Disease Prevention and Management: Research into the physiological, psychosocial, cultural and economic aspects of chronic diseases
- Centre for Cultural Diversity and Wellbeing: Research into diversity, creativity and health
- Centre for Environmental Safety and Risk Engineering: Research into fire safety
- Centre for International Research on Education Systems: Research into the improvement of educational outcomes
- Western Centre for Health Research and Education: A teaching, training and research precinct for health students and researchers.

vu.edu.au/institutes-centres

CHOOSE YOUR RESEARCH DEGREE

MASTERS BY RESEARCH

Build on skills and knowledge from your undergraduate degree with a 30,000–60,000 word thesis.

DOCTOR OF PHILOSOPHY (PHD)

Conduct research that leads to new knowledge or re-interprets existing ideas, theories and approaches by completing a thesis of 60,000–100,000 words.

PROFESSIONAL DOCTORATE

Focus on issues in a particular profession with a Doctor of Business Administration (DBA), Doctorate of Education (EdD), Doctor of Psychology, Doctor of Applied Psychology, or Doctor of Social Work.

vu.edu.au/graduate-research

CATHERINE XIAOCUI LOU

Award-winning Chinese researcher, Catherine Xiaocui Lou, a VU Doctor of Philosophy student, was honoured as the State of Victoria's International Postgraduate Student of the Year 2013.

RESEARCH SUPPORT

What sets our research degrees apart is the level of professional development, research training and support you will receive as you develop your research career.

We support our doctoral students to develop as researchers and professionals. To assist students in the crucial first six months of their enrolment, we provide a structured program of learning to provide a strong foundation as they prepare for candidature confirmation. Two units, Conceptualising and Contextualising Research, and Research Integrity and Ethics, play a critical role in developing students as researchers in an increasingly complex and multidisciplinary global research environment.

Each year the Graduate Research Centre offer professional development and research training program. We offer more than 100 seminars and workshops per year which focus on building key research skills in both quantitative and qualitative methodologies, and techniques such as Structural Equation Modelling, Economic Modelling, Content Analysis and Narrative Inquiry.

We also offer one-on-one sessions with statistical experts in conjunction with your supervisors.

Our Language and Research Writing Support service offers workshops in English language and writing skills to help improve your research writing.

You can also receive hands-on support from our Research Ambassadors. Research Ambassadors are experienced graduate researchers who will share their skills with you and help you navigate your new role as a researcher.

Our external funding for research is steadily increasing nationally and internationally through private and public sponsors, reflecting growing support for our strong research outcomes and research quality.

vu.edu.au/graduate-research

HOW TO APPLY

Once you've decided on the right research degree for you, go to vu.edu.au/international-research to complete your application.

For more information about eligibility and application procedures, contact apply.research@vu.edu.au

For information about visa application procedures, go to border.gov.au

CAMPUSES

We have eight Melbourne campuses. Three are in the heart of Melbourne's central business district and two are within 10 kilometres of the city centre. A ninth campus is located in the centre of Sydney. All are easily accessible by public transport.
vu.edu.au/campuses

FOOTSCRAY PARK CAMPUS

Whether you are studying engineering, information technology, sport science, arts, business, legal studies, psychology, education or science, you'll have access to a range of modern teaching and learning facilities at Footscray Park. Our largest campus is only a 10-minute train ride from the city centre plus a short walk from Footscray train station.

Our engineering labs have industry-standard practical testing facilities that support the Problem-Based Learning (PBL) approach. Our world-class sport and learning precinct features state-of-the-art labs for researchers and elite athletes, and an impressive learning commons.

The Campus also has a 25-metre swimming pool, a children's centre, a fully-equipped gym, cafés and many support services for students.

CITY FLINDERS CAMPUS

Our City Flinders Campus consists of two buildings in Melbourne's central business district.

300 Flinders Street is a modern building that overlooks Melbourne's grand Flinders Street train station, the Yarra River and the Southbank restaurant and retail precinct.

301 Flinders Lane is set among Melbourne's iconic laneways directly behind our 300 Flinders Street building.

Business, information systems, media and communications, and English language (ELICOS) courses are the main disciplines taught at City Flinders Campus.

City Flinders Campus is also perfectly located to access a wide variety of food outlets and shopping experiences.

CITY KING CAMPUS

City King is our hub for beauty courses, and is close to Southern Cross Station. It's where our hair, make-up and dermal therapy students receive training. They can even practice their skills at our on-campus hair and beauty salon that is open to the public.

The Dermal Clinic provides the same treatments performed by qualified dermal (skin) clinicians in private dermatology, plastic surgery, laser hair removal and cosmetic surgery practices. Our dermal therapies students use the highest quality, medical-grade equipment under the supervision of qualified dermal clinicians.

CITY QUEEN CAMPUS

City Queen Campus comprises two beautiful, heritage-listed buildings in Melbourne's CBD, and is within the city's legal precinct.

295 Queen Street is the heart of the Campus, with moot courts, computer labs, lecture theatres and seminar rooms. It houses our College of Law and Justice, Law Library, the Sir Zelman Cowen Centre for Continuing Legal Education, and the Judicial Administration and Justice Studies Institute.

283 Queen Street offers undergraduate and postgraduate law courses.

FOOTSCRAY NICHOLSON CAMPUS

Footscray Nicholson Campus is in the heart of culturally diverse Footscray and is just a few minutes' walk from Footscray train station. The relaxed and friendly campus has an emphasis on vocational training courses, ranging from graphic design and multimedia to logistics and community services, and from information technology to early childhood education. The Campus has a modern learning commons and a children's centre.

Our innovative Design Studio, located adjacent to the Campus at VU at MetroWest, offers final-year design and multimedia students the chance to produce commercial work for internal and external clients.

vu.edu.au/metrowest

SUNSHINE CAMPUS

With a new ultra-modern, six green-star-rated trades building, Sunshine Campus delivers all of VU's building, construction, manufacturing and engineering vocational courses. The Campus includes one of the best-equipped fabrication workshops of its kind in Australia, and was opened by the former Prime Minister of Australia, the Honourable Julia Gillard.

It is close to shopping centres and can be easily accessed by train or bus.

WERRIBEE CAMPUS

Werribee Campus is part of our modern technology precinct and a hub for new, innovative research into biomedical science, water, fire safety and food. It's small enough to be personal but large enough to offer great facilities like a new purpose-built A\$14 million health training clinic, a children's centre and a gym. The Campus is close to Hoppers Crossing train station.

ST ALBANS CAMPUS

St Albans Campus is the University's health hub, and has award-winning architecture, a children's centre, and sport, recreation and health facilities. It has a modern village-like feel and is set within native grasses and gum trees. You can walk to the Campus from St Albans train station.

VU SYDNEY

Since 2007, Victoria University has been delivering undergraduate and postgraduate courses to international students at our campus in Sydney. The campus is operated in partnership with the Education Centre of Australia.

Victoria University Sydney provides an intellectually challenging, yet highly supportive experience for students from all over the world.

vu.edu.au/vu-sydney

LIFE IN SYDNEY

Sydney is an inspiring international city and was recently rated the world's fourth-best student city, according to the QS Best Student Cities 2015. With a rich mixture of ethnic and cultural groups, it has a truly international atmosphere. Hundreds of restaurants, cafes, world-famous events and cultural attractions mean Sydney has something for everyone.

CAMPUS AND FACILITIES

Victoria University's Sydney campus is in a perfect location for enjoying city life. Set in the central business district (CBD) and within walking distance of Sydney Harbour, cafes, shopping, parks and the State Library of New South Wales, everything you need is within easy reach.

Our friendly support staff will help you settle into student life. On campus there are shared computer facilities and a student lounge so you can spend time between classes studying and meeting up with friends. There is a great atmosphere where people from around the globe join together.

WHERE

Levels 3 and 4, 545 Kent Street, Sydney, New South Wales, Australia

HOW TO GET THERE

The Campus is easily accessible from all parts of Sydney. Public transport is available by bus or train, with the Campus less than a 5-minute walk from Town Hall Station.

ON CAMPUS

- Student support services
- Computer and internet facilities
- Cafeteria
- Student library resources
- Learning Commons.

AROUND CAMPUS

- Parks, cafes, wine bars and fresh food outlets
- State Library of NSW
- Chinatown
- Darling Harbour
- City shopping.

ACCOMMODATION OPTIONS

You may like to arrange a homestay before you arrive in Australia or choose to first stay in a hostel so you can explore where you'd like to live. You may want to wait until Orientation to meet other students before looking for shared accommodation.

vu.edu.au/sydney/accommodation

COZZYSTAY

CozyStay is Education Centre of Australia's preferred accommodation provider in Sydney. They offer excellent shared student housing and can provide free airport pick-up when you first arrive in Sydney.

cozzystay.com.au

COST OF LIVING

Living in Sydney means you will be living in one of the best, safest, and pollution-free cities in the world. Costs of living will vary by location and by your lifestyle. With a student card you will be eligible for concession prices to events, movies, museums and more.

As a general guide, the average international student in Australia spends about A\$1550 per month (approximately AU \$390 per week) on accommodation, food, clothing, entertainment, transport, international and domestic travel, telephone and incidental costs. The Department of Immigration and Border Protection recommends budgeting A\$18,610 per year to cover the cost of a single student living away from home in Australia.

border.gov.au/trav/stud/more/student-visa-living-costs-and-evidence-of-funds

It is advisable to plan your budget carefully in order to avoid any financial difficulties during your study in Sydney. International students are permitted to work up to 40 hours per fortnight during your study term and unlimited hours when your course is not in session. However, there is significant competition for part-time work and you should not expect that money earned from a part-time job will cover all your tuition fees or living expenses.

ARRIVAL AND ORIENTATION AT VU SYDNEY

Each trimester we conduct a mandatory orientation session one week before the start of classes for all new students.

Our Orientation program is designed to help you make friends and adapt to Australian life, learn about our campus and facilities, and have opportunities to meet other students and staff. During this time you will also be enrolled into your units of study.

If you require a Victoria University representative to meet you at Sydney Airport when you arrive, contact CozyStay and they will help you arrange it.

cozzystay.com.au

HOW TO APPLY

For details about finding a course, applying and accepting your offer, visit:

vu.edu.au/sydney/apply

COURSES AT VU SYDNEY

All courses taught at the Sydney Campus are included in the table below.

COURSE NAME	COURSE CODE	CRICOS CODE	INTAKE MONTH	DURATION	COURSE FEE PER SEMESTER	LOCATION
Bachelor of Business (Accounting)	BBUS-BSPACT	068696A	March, July, November	6 semesters	A\$7500	Sydney
Bachelor of Business (Information Systems Management)	BBUS-BSPIMS	083036A	March, July, November	6 semesters	A\$7500	Sydney
Bachelor of Business (Marketing)	BBUS-BSPMRK	08303B	March, July, November	6 semesters	A\$7500	Sydney
Graduate Diploma in Professional Accounting	BGAP	068697M	March, July, November	2 semesters	A\$8400	Sydney

SCHOLARSHIPS AND SPONSORSHIPS

Mavis Nsibande. Master of Education

Mavis Nsinande came to Victoria University (VU) with the assistance of an AusAid scholarship under African Development Scholarships for Africa.

She arrived in Melbourne from Swaziland to spend 18 months studying her Master of Education. Back at home, she works as an inspector of schools in mathematics, and she saw the opportunity to further her career by studying at VU.

You may be a student who already has a sponsorship or scholarship, or you may be seeking one. At Victoria University (VU) we can help you manage the relationship with your government sponsor whether they are in Australia or your country of origin.

Our international scholarships team has extensive experience with international sponsors and can assist you from the time you make an enquiry until you graduate. The team also has significant experience in assisting students who have received scholarships through the Australian Government, as well as through Victoria University.

Across vocational education (TAFE), undergraduate and postgraduate study levels, we provide a range of courses and research opportunities to a diverse student population from many cultures and countries. We host sponsored students from Kuwait, Malaysia, Indonesia, Saudi Arabia and other countries. Check with your government to see if you are eligible for admission into a VU course for sponsored study.

The Australian Government also offers a range of scholarships under the Australia Awards program. The Australia Awards scholarships provide educational and/or research opportunities to students from many developing countries.

australiaawards.gov.au

In addition to hosting externally sponsored students, Victoria University also offers a number of scholarships to high-performing international students who are pursuing a higher degree by research. For details about international scholarships, visit:

vu.edu.au/international-scholarships

COST OF LIVING

EVERYDAY LIVING COSTS

We want you to focus on your studies while studying and not worry about your finances. So it is important that you have sufficient funds to cover your living costs while in Melbourne.

Under the Australian Government's migration regulations, student visa applicants (and their family members) need to be able meet their living costs and have access to the following funds:

- A\$18,610 a year for the main student
- A\$6515 a year for the student's partner
- A\$3720 a year for the student's first child
- A\$2790 a year for every other child.

In addition to the approximate living costs in the table below, be aware of any special expenses involved in your course. For example, if you have to buy special equipment or clothing, or travel to work placements. Remember to allow approximately A\$625 for books and stationery annually.

ITEM	AVERAGE COST PER WEEK AS*
Accommodation	
Victoria Place (VU facility) Note: an additional fee for security deposit and club levy applies	\$285
1 bedroom flat	\$420 (central Melbourne) \$260 (Footscray)
Shared rental	\$70 – \$250
Hostels and guesthouses	\$80 – \$135
Homestay	\$110 – \$270
Utilities for small apartment (gas, electricity, water, garbage disposal)	\$52
Groceries, drinks and eating out	\$80 – \$200
Personal care	\$25
Public transport (Zone 1) Discounted annual passes also available (see Life in Melbourne section or visit iusepass.vic.gov.au/iuse/user/login)	\$7.52 (daily pass); \$3.76 (one way); \$127 (monthly pass)

ITEM	AVERAGE COST PER WEEK AS*
Mobile phone	\$12
Internet	\$18

*Note: These average costs should be used as a guide only as costs can vary considerably.

Sources: numbeo.com/cost-of-living; liveinvictoria.vic.gov.au; studyinaustralia.gov.au

To ensure that you can focus on your studies rather than worry about your expenses, Victoria University recommends that you budget for higher living expenses than those listed by the:

Victorian State Government:

liveinvictoria.vic.gov.au/living-in-victoria/cost-of-living

Australian Government:

border.gov.au/trav/stud/more/student-visa-living-costs-and-evidence-of-funds

vu.edu.au/financial-advice

COURSE FEES

Prior to commencing at Victoria University, you will be required to pay a fee deposit and sign your International Student Written Agreement in order to accept your offer into a Victoria University course.

Indicative course fees will be detailed in your International Student Written Agreement.

Subsequent tuition fees will be charged one semester at a time and will be payable prior to you commencing your next semester.

You may need to buy equipment or specific clothing, or travel on public transport to undertake work placements for some courses, and those costs are not included in your course fees. Where possible, we recommend confirming these fees prior to enrolling in your course.

Fees will vary according to your course and are subject to change. Note that annual price rises will be applied to both commencing (new) and continuing students. For the latest information on fees visit:

vu.edu.au/courses/international

OVERSEAS STUDENT HEALTH COVER (OSHC)

Your International Student Written Agreement will also contain the fee for Overseas Student Health Cover (OSHC). OSHC is a compulsory part of obtaining an Australian student visa and is designed to protect you while you are in Australia.

New policies for Overseas Student Health Cover in 2015, as quoted by our preferred provider Allianz, commence at A\$553 for a single adult for 12 months.

oshcallianzassistance.com.au

REFUND POLICY

Find information about Victoria University's refund policy at vu.edu.au/courses/fees-assistance/refunds/international-refunds

SCHOOLING FOR CHILDREN

If you have children from 6–17 years of age, it is a legal requirement that they attend school if they accompany you to Australia. There are many public, private and multi-faith religious schools for all ages, starting from approximately A\$8000 per year. To find out more about education and childcare in the State of Victoria visit:

liveinvictoria.vic.gov.au/living-in-victoria/education-and-childcare

To find out more about children's school fees visit: study.vic.gov.au/deecd/schools-in-victoria/apply/en/school-fees.cfm

ACCOMMODATION

Finding a comfortable place to live is fundamental to enjoying your time in Melbourne and your studies. Your choice of accommodation will depend on your personal needs, preferences and budget.

vu.edu.au/housing

UNIVERSITY RESIDENCES

Living at our student residences, either short-term or long-term, will give you access to the VU student community and support network.

VICTORIA PLACE

Victoria Place is a modern apartment complex designed for students. The facility provides six dual-occupancy units and 41 single-occupancy units. Victoria Place is located a short walk from Victoria University's main campus, Footscray Park.

Apartments are fully furnished, self-contained and designed to provide an independent living experience. Each unit has a bathroom, laundry, kitchen, bedroom and balcony.

victoria.place@vu.edu.au

+61 3 9919 4400

NEW PREMIUM ACCOMMODATION

A new 12-storey premium student accommodation facility located at Footscray Park Campus will open for the 2016 academic year. This will be operated by Unilodge and will feature:

- approximately 500 beds comprising a variety of single-occupant, dual-occupant and multi-occupant apartments
- fully furnished and self-contained rooms
- common areas, recreation areas, a theatrette and café for student use
- extensive landscaped areas including recreation courtyards and roof terraces
- secure bicycle lock-up facilities
- ground-floor retail space.

STUDENT HOUSING SERVICES

Our Student Housing Services provides free tenancy advice and can assist in the provision of housing information including temporary housing, VU residences, share housing, private rental and commercial student apartments. The Victoria University Housing webpage provides information about housing options, including rental information, plus a short informational video.

If you are considering off-campus accommodation, our Student Housing Services operates a Student Housing database with share housing and vacant property listings.

Student Housing Services coordinates a House Hunting Friends Facebook group where you can link with other students looking for housing. Student Housing Services also provides a Housing Mentor Program for incoming students. This program matches you with a current and experienced VU student who can support you with your search for accommodation.

Student Housing Services:

housing@vu.edu.au

Housing tip: If you plan to take private accommodation, you are advised not to sign any contracts or make any payments until you have arrived in Melbourne and have inspected the accommodation to ensure it is genuine and meets your needs.

If you have any queries, contact Student Housing Services:

housing@vu.edu.au

If you would like to find out more about your housing options, read our comprehensive Housing Guide at:

vu.edu.au/housing

FACILITIES

LIBRARY

Known as 'learning commons', VU campus libraries are spaces that offer career advice, learning, IT support and academic resources all in a relaxed, lounge-like setting.

VU's learning commons give you access to photocopying, computing and printing facilities, electronic and print resources, and a comprehensive information-skills training program.

COMPUTER FACILITIES

We have 4184 computers located across our campuses and in our campus libraries. We provide PCs and Apple Macs in teaching laboratories and open-access facilities. A central IT helpdesk is available to answer queries and provide assistance.

PRAYER ROOMS

We embrace and celebrate the religious and spiritual diversity of our community. We understand that some faiths require religious observance, prayer or other ceremonial activities during and between classes. To support this, VU provides a range of multi-faith prayer rooms for staff and students at seven VU campuses.

vu.edu.au/prayer-rooms

STUDENT SERVICE CENTRES

Student Service Centres provide you with face-to-face customer service to help you access services, advice and information in an easy and convenient way. We can help you with general enquiries, refer you to specific services, accept fee payments and provide on-the-spot administration services.

Computers are available at all eight student service centres for you to access your records and find information on our website.

SPORT AND FITNESS

Our sport and fitness facilities include:

- sport clubs, campus sport programs and representative sport opportunities
- quality fitness centres at Footscray Park, St Albans and Werribee Campuses
- a heated 25-metre swimming pool at Footscray Park Campus
- a first-class athletics track and rugby field at Werribee Campus
- multi-purpose sports halls at Footscray Park, St Albans and Footscray Nicholson Campuses
- tennis courts at Werribee, Footscray Park and St Albans Campuses.

STUDENT SUPPORT

ARRIVING IN MELBOURNE

Victoria University staff are here to help you achieve your study goals during your once-in-a-lifetime study experience in Australia. We want that experience to be fulfilling and positive, so we will support you as you settle in to life in Melbourne and as your study progresses.

We can welcome you the minute you arrive in Australia with a free airport reception service. All you need to do is complete a simple registration process. You should plan to arrive at least two weeks before your course starts so you have enough time to move into your accommodation and attend Orientation.

After arriving in a new city it can take some time before you get to know your way around. Ensure you make the time to get familiar with the city and surrounding areas, and plan your activities and journeys. The Public Transport Victoria journey planner can help you plan all your travels.

ptv.vic.gov.au

ORIENTATION

The first event on your calendar should be your International Orientation at the start of VU's Orientation program. It is designed to help you make your first connection with VU, and is when you will receive all your enrolment information.

During Orientation you can take a tour of your new campus, explore the library, chat with support staff and meet other new students.

Don't miss Orientation. The dates are published close to the start of each semester at

vu.edu.au/orientation

STUDENT SAFETY

Our campus security service is on all campuses to help you, and can escort you to the bus stop or your car when you finish your studies for the day. Visit our website for more information.

vu.edu.au/safety

If you are ever in an emergency off-campus, call 000 and ask for the police, fire services or an ambulance.

DISABILITY SUPPORT

Disability Services provides advice and assistance for students with a disability and/or medical condition. This may be a short-term condition like a broken hand or something more permanent like a hearing or vision impairment. Students are assessed individually for appropriate support services. These may include alternative assessment arrangements, special equipment or assistive technology such as specialised software.

vu.edu.au/disability

PERSONAL ADVICE AND COUNSELLING

VU's counselling service offers free and confidential counselling to students. It can assist you through study-related matters such as time management or exam stress, or with personal issues such as confidence, relationships, anxiety, depression, sexuality, drugs or alcohol. Each semester the service offers free workshops on a range of topics including skills for study success, time management, emotional intelligence and stress management.

vu.edu.au/counselling

vu.edu.au/welfare

vu.edu.au/housing

LIFE IN MELBOURNE

THE WORLD'S MOST LIVEABLE CITY

Melbourne is Australia's second-largest city and consistently receives praise as a tourist destination. In 2011, 2012, 2013 and 2014 the Economist Intelligence Unit rated Melbourne as the world's most liveable city out of 140 cities worldwide.

Moreover, Melbourne was voted the world's second-best student city, according to the QS Best Student Cities 2015 survey.

More than 100,000 international students choose Melbourne each year as their study destination.

Find out more about life as an international student in Melbourne at studymelbourne.vic.gov.au

MELBOURNE HAS IT ALL

Melbourne is an Australian leader in the arts, culture and events. We have a full calendar of world-class festivals and events in fashion, arts, comedy, theatre, food and wine.

You could eat out every night of the year in Melbourne's CBD alone and still not get through half of the restaurants. The city is also a shopper's haven with the world's largest retail brands as well as home-grown stores to delight you.

Melburnians love their sport. The Formula 1 Australian Grand Prix, Australian Open, Melbourne Cup and international cricket are major events that capture the world's imagination. While soccer and rugby are becoming increasingly popular, Melbourne is known as the home of the Australian Football League.

THE STATE OF VICTORIA

The State of Victoria has many superb attractions, all within a few hours of its capital city, Melbourne.

The Great Ocean Road can be reached within an hour's drive from Melbourne, and is one of the world's most scenic drives. The iconic 12 Apostles is the centerpiece of this vast coastal region.

Less than two hours' drive from the city is Phillip Island, home to the world-famous little penguin, and nearby Wilsons Promontory has one of Australia's largest seal populations.

There are also national parks, ski fields, heritage-listed towns in the goldfields, and exquisite scenery on the way to European-style hot spas. And right on Melbourne's doorstep is Port Phillip Bay where you can enjoy swimming in the warmer months or take long walks along the sandy beaches all year-round.

Find out more at visitvictoria.com

PUBLIC TRANSPORT

Getting around Melbourne is easy, with an extensive rail, tram and bus network connecting the city and suburbs. International students enrolled in a full-time undergraduate course (bachelor degree or associate degree) or a higher TAFE course (advanced diploma or diploma) can purchase a half-price annual myki ticket for the zone/s in which they travel/study.

Taxis are convenient, but can be expensive.

Melbourne has many bike paths and you can easily hire a bicycle if you need one.

If you have time to enjoy the scenery, you can catch a bus or a train to almost any major city in Victoria or Australia. You can also travel by bus or taxi from the city to Melbourne Airport (Tullamarine), then catch a plane interstate.

Alternatively, if you have a driver's licence, you can drive. In Australia, driving regulations and laws differ from state to state, but in most Australian states and territories you are permitted to drive if you hold an overseas licence, as long as it is current. See australia.gov.au for further information.

WEATHER

The climate of Melbourne is mild and temperate with four distinct seasons. Melbourne has a reputation for its changeable weather, and visitors should be prepared for anything — take an umbrella and wear layers that can be worn or removed as needed.

Overall, Melbourne enjoys a temperate climate with warm to hot summers (average temperatures of 14–25C), mild springs and autumns (average 10–20C), and cool winters (average 7–14C).

Find out more about the weather in Melbourne and around Australia at bom.gov.au

AUSTRALIAN CULTURE

Indigenous people have lived in Australia for thousands of years and are widely recognised as the traditional owners of this land. Since colonisation in 1788, Australia has become home to many immigrants from Europe, Asia, Africa, the Middle East, South America and elsewhere. Today, Australia is one of the most multicultural nations on earth and one of the most successful to harmoniously blend such diversity.

Australians value and respect the freedom and dignity of the individual, freedom of religion, the rule of law, parliamentary democracy, equality of men and women, mutual respect, tolerance, fair play, compassion for those in need and pursuit of the public good.

Australian society values equality of opportunity for individuals, regardless of their race, religion or ethnic background.

UNIVERSITY CULTURE

Victoria University is a diverse place, with students from more than 100 countries. You will probably start by finding your way around campus, discovering places to study and eat, and checking noticeboards and online for activities, seminars and classes.

You will find out where the gym and sports grounds are, and perhaps join or start a club or society. You'll enjoy the lively atmosphere of our campuses and the opportunity to make friends.

We have Muslim prayer rooms at seven campuses and multi-faith prayer rooms at three campuses.

VU COLLEGE

VU College brings together Victoria University's delivery of English language courses, pathway diplomas, courses at VU Sydney and VU courses delivered offshore by our international education partners. Currently we have more than 7000 students around the world studying one of these courses.

VU COLLEGE IN MELBOURNE

As part of the establishment of VU College in Melbourne, purpose-built facilities will be developed at our City Flinders Campus, conveniently located next to Flinders Street Station in Melbourne's central business district (CBD).

We recognise that living and studying in another country can take time for students to adjust to, which is why we have established a dedicated space to ensure that VU College students receive the tailored support that they need as they transition to studying and living in Australia.

Whether you are studying an ELICOS course at VU College's English language centre, VU English, or studying a VU College higher education diploma, you will be considered part of the University's student community from day one of your studies. As a VU College student, you will have full access to the University's facilities, including access to the learning commons, sports and recreation facilities, and opportunities to join the University's various clubs and societies.

vu.edu.au/vu-college

VU COLLEGE COURSES

Our courses are designed to meet the needs of international students who choose to complete part or all of their studies in Australia, or complete a Victoria University (VU) qualification with one of our international education partners.

HIGHER EDUCATION DIPLOMAS

We offer higher education diplomas both in Australia and with our international education partners in China. In Melbourne, these diplomas are delivered by VU staff on VU's campuses and are designed to prepare students for success in their undergraduate studies.

By successfully completing a one-year higher education diploma, students are guaranteed entry into the second year of nominated bachelor degrees. In 2016, VU College will be offering the following one-year higher education diplomas:

- Diploma of Business (Enterprise)
- Diploma of Information Technology.

ENGLISH LANGUAGE COURSES

VU College offers English language courses in Australia and China to prepare our students for academic study or to improve students' general English literacy.

Students studying our English courses in Melbourne study at VU College's English language centre, VU English. VU English provides nationally accredited English language courses specifically designed to assist students to achieve the required level of English for direct entry into a VU diploma or degree.

VU College English language courses:

- General English
- English for Academic Purposes
- English for Business.

In addition to attending English language classes, you can access a range of programs that help improve your English language skills. There is an e-learning program, speaking program, skills program and film program. These voluntary classes are free of charge and are usually held at lunchtime.

We encourage you to be involved in the Sports Club, Excursions Club and Buddy Club. You will meet new friends and the clubs are a fun, relaxed way to practise and improve your English-speaking skills.

VU English is located at our City Flinders Campus. For more detailed information on the courses offered by VU English, see page 74 of this course guide or contact VU English.

VU COLLEGE COURSES DELIVERED OFFSHORE

Victoria University pioneered transnational education partnerships, delivering VU qualifications internationally in collaboration with education partners. We have a particularly strong engagement in Asia, with partnerships dating back more than 20 years.

Through the delivery of VU courses with our partners, students have the opportunity to enrol in a VU qualification closer to home and in a familiar and supportive education environment.

Students can choose to complete their qualification in Australia after becoming familiar with the Australian education system and are confident that they can successfully complete their qualification in Australia.

Our offshore courses are delivered by our international education partners in China, Malaysia, Singapore, Myanmar and Vietnam. The table below lists the VU courses delivered by our education partners in these countries.

University of Economics Ho Chi Minh City	Ho Chi Minh City	Bachelor of Business (Banking and Finance)

VU ENGLISH

VU English delivers ELICOS English language courses focusing on either university preparation or general English.

As a university we have been providing high quality ELICOS courses for more than 20 years. We have experienced teachers, excellent facilities and small class sizes.

All courses are recognised by the Australian Government. VU English is a member of University English Centres of Australia (UECA), National ELICOS Accreditation Scheme (NEAS) and English Australia (EA). VU English is also a Cambridge University English language examinations centre for the First Certificate in English (FCE), CAE and BULATS exams.

Studying ELICOS at VU means that you are considered to be a VU student, providing you with access to the University's facilities and services.

CAMPUS

All VU English courses listed are taught at the City Flinders Campus, at the 300 Flinders Street and 301 Flinders Lane, in Melbourne's city centre.

vu.edu.au/campuses

FEES

Most VU English courses are A\$395 per week. These fees change slightly from year to year, and there is a A\$200 enrolment fee for all courses. For the latest fee information visit

vu.edu.au/vu-english

HOW TO APPLY

1 CHOOSE A COURSE

For information about courses, fees and entry requirements for international students visit vu.edu.au/courses/international

2 PREPARE SUPPORTING DOCUMENTS

To apply for a course, you must prove that you meet the entry requirements by attaching the relevant documentation to your application. This may include:

- evidence of your English language proficiency
- certified copies of your academic transcripts and graduation certificates
- completed Background Information Checklist
- completed Advanced Standing forms (formerly known as Recognition of Prior Learning or RPL)
- other relevant documents such as letters from employers or schools, statement of purpose or research proposal.

3 COMPLETE AN APPLICATION*

You can submit an application online and attach supporting documents using our online international application and enquiry system. The system also allows you to:

- check your application status
- respond to admission officers' comments
- prepare to accept your offer.

If more information is required after you have submitted your application, you will receive an email from VU staff advising of a change of status in your application.

Register to apply online at eaams.vu.edu.au/portal/

You can also apply through a VU approved agent. A list can be found at eaams.vu.edu.au/BrowseAgents.aspx

4 ACCEPT YOUR OFFER

Log into your international student application and enquiry system account to check the status of your application. If you have been given a conditional offer, you must meet all conditions before you can accept your offer.

Once you receive a full offer you need to:

- sign and return your Letter of Offer (Note that the full document will need to be returned)
- pay your course fee deposit
- pay your Overseas Student Health Cover.

If your visa application requires an electronic Confirmation of Enrolment (eCoE), Victoria University will send an eCoE to you after your *Letter of Offer* has been processed.

5 ORGANISE VISA

Most prospective international students intending to study in Australia must apply for a student visa.

It is important that you state your full study intentions when applying. For detailed information on student visa requirements, how to apply, and related issues contact: border.gov.au

***DON'T FORGET:**
Allow enough time to apply for a student visa!

6 TRAVEL ARRANGEMENTS

If you require Victoria University to meet you at Melbourne Airport when you first arrive as a new student, complete the *Airport Reception Request* form at least ten days before you intend to arrive.

Further information is available at: vu.edu.au/airport-reception

ENGLISH LANGUAGE REQUIREMENTS

You need to provide evidence that you have completed an approved English language test, no more than two years prior to commencing your studies at Victoria University, and achieved one of the results outlined in the following table.

	CERTIFICATES, DIPLOMAS AND ADVANCED DIPLOMAS	BACHELOR	POSTGRADUATE
EXAMINATION METHOD	RESULT	RESULT	
IELTS (Academic Module): Overall score (no band less than)	5.5 (5.0)	6.0 (6.0)	6.5 (6.0)
TOEFL Internet: Test score (no section score less than)	55 (Listening 9, Speaking 16, Reading 10, Writing 18)	67 (Listening 12, Speaking 18, Reading 15, Writing 21)	79 (Listening 19, Speaking 19, Reading 18, Writing 22)
Pearson Test of English (PTE): Overall score (no section score less than)	42–49 (40)	50–57 (50)	58–64 (50)
Cambridge English – Advanced (CAE) (Pre-2015): Total score of	47	52	58
Cambridge English– Advanced (CAE): Overall CAE score (no band less than)	162 (154)	169 (169)	176 (169)
Cambridge English– First Certificate in English (FCE): Overall FCE score (no band less than)	162 (154)	169 (169)	NA

COURSES WITH HIGHER ENGLISH LANGUAGE REQUIREMENTS

Some VU courses require higher English language proficiency to gain entry into the degree.

COURSE TITLE	COURSE CODE	IELTS (ACADEMIC MODULE) RESULT	MINIMUM INDIVIDUAL BAND SCORES			
			LISTENING	READING	WRITING	SPEAKING
Master of Teaching (Early Childhood)	EMTC	7.5	8.0	7.0	7.0	8.0

Bachelor of Laws (Graduate Entry)	BLGE	6.5	6.0	6.0	6.0	6.0
Bachelor of Laws	BLAW	6.5	6.0	6.0	6.0	6.0

RECOGNITION OF PRIOR ENGLISH LANGUAGE STUDIES

If you have completed some or all of your academic study in English, we may waive the required English language test result required for admission into a course. To qualify for recognition of prior English language studies, you need to have achieved one of the scores or qualifications listed on the next page, and have achieved this score or qualification within the expected duration.

Each application will be assessed on a case-by-case basis and Victoria University reserves the right to ask for English proficiency test results (to be determined by a Victoria University admissions officer).

CERTIFICATES AND DIPLOMAS

QUALIFICATION	REQUIREMENTS
GCE O levels (Malaysia, Singapore and the United Kingdom)	A grade of C (or better) in English.
International Baccalaureate Diploma	A minimum of 3 in English A1 or A2 (higher and standard level).
Australian University Foundation Program	Completion of a recognised foundation program where English is the language of instruction and assessment (with a pass in the English subject). ^
Secondary schooling or tertiary studies	Satisfactory completion of two years (full-time) academic study in an institution where English was the language of instruction and assessment, and having completed these studies no more than two years prior to commencing studies at Victoria University. ^
Australian Qualifications Framework (AQF)	Completed an AQF qualification with a minimum duration of one year of full-time study and having completed these studies no more than two years prior to commencing studies at Victoria University. ^
Senior secondary school (in Australia)	Victorian Certificate of Education (VCE) Units 3 and 4 in English with a study score of 20 or ESL with a study score of 25 (or interstate equivalent).
Pre-university program (such as AusMAT, SAM)	Satisfactory completion of English in the final year.

BACHELOR DEGREES

QUALIFICATION	REQUIREMENTS
GCE A levels (Malaysia, Singapore and the United Kingdom)	A grade of C (or better) in the General paper (English).
International Baccalaureate Diploma	A minimum of 4 in English A1 or A2 (Higher and Standard level) or a minimum of 5 in English B (Higher level).
Australian University Foundation Program	Completion of a recognised foundation program where English is the language of instruction and assessment (with a minimum grade of 60% in the English subject). ^
Australian Qualifications Framework (AQF)	Completed an AQF qualification (Certificate IV or higher) with a minimum duration of one year full-time study and having completed these studies no more than two years prior to commencing studies at Victoria University. ^
Secondary schooling or tertiary studies	Satisfactory completion of two years (full-time) academic study in an institution where English was the language of instruction and assessment, and having completed these studies no more than two years prior to commencing studies at Victoria University. ^
Senior secondary school (in Australia)	VCE Units 3 and 4 in English with a study score of 20 or ESL with a study score of 25 (or interstate equivalent).
Pre-university program (such as AusMAT, SAM)	Satisfactory completion of English in the final year.

ALL POSTGRADUATE COURSES

QUALIFICATION	REQUIREMENTS
Postgraduate Australian Qualifications Framework qualification (AQF)	Satisfactory completion of at least one year (full-time) academic study and having completed these studies no more than two years prior to commencing studies at Victoria University. ^
Undergraduate Australian Qualifications Framework qualification (AQF)	Satisfactory completion of at least two years (full-time) academic study and having completed these studies no more than two years prior to commencing studies at Victoria University. ^

^ Recognition will apply only if:

- the qualification was delivered in Australia or in a specified English-speaking country (Canada — excluding Quebec, Fiji, Ireland, Kenya, New Zealand, Papua New Guinea, Samoa, Singapore, Solomon Islands, South Africa, United Kingdom, United States of America and Zambia);
- the AQF qualification is delivered at a registered training organisation and listed on one of the following websites:
aqf.edu.au
training.gov.au
- the course applied for does not have a higher English language proficiency requirement than the requirements outlined above.

Applications that do not meet the above requirements may be considered on a case-by-case basis, providing:

- the most recent studies were of at least two years in duration;
- were conducted solely in English (language of instruction and assessment); and
- were completed no more than two years prior to commencement of studies at Victoria University.

Victoria University reserves the right to ask for English proficiency test results on a case-by-case basis (to be determined by a Victoria University admissions officer).

ADDITIONAL REQUIREMENTS

In some cases you may be required to provide additional information to be eligible for entry into a specific course.

Check the entry requirements for specific courses in this guide and ensure you submit this with your application.

ENTRY REQUIREMENTS

ENTRY REQUIREMENTS FOR GRADUATE CERTIFICATE, GRADUATE DIPLOMA AND MASTER COURSES

Check the minimum academic requirements for entry into graduate certificate, graduate diploma or masters according to qualifications in your country. If your qualification is not listed and you would like to know if you meet the minimum academic requirements, you can make an online enquiry by visiting eaams.vu.edu.au/enquiry

^ Average is calculated on a 1 - 5 scale with 1 being the highest grade.

∞ Average is calculated on a 1 - 4 scale with 4 being the highest grade.

This information is accurate as of June 2015. Victoria University reserves the right to adjust these at any time. Qualification standards displayed on this page are indicative only, and achieving one of these goals does not guarantee a placement into a Victoria University course. The entry requirements should only be applied after it has been established the degree the applicant holds as an entry qualification is deemed comparable to an Australian degree according to the AEI-NOOSR country education profiles for the country where the qualification has been awarded. Meeting the entry requirement does not waive the requirement for the entry degree to be assessed as comparable to an Australian degree. Some courses may require academic results that are higher than results stated in this document.

ENTRY REQUIREMENTS

ENTRY REQUIREMENTS FOR MASTERS BY RESEARCH, DOCTOR OF PHILOSOPHY AND RESEARCH DOCTORATE COURSES

Check the minimum academic requirements for entry into a Masters by research, Doctor of Philosophy and research doctorate courses according to qualifications in your country. If your qualification is not listed and you would like to know if you meet the minimum academic requirements, you can make an online enquiry by visiting

eaams.vu.edu.au/enquiry

*MASTERS BY RESEARCH

Academic requirements for a Masters by Research are generally the completion of an equivalent of a three-year Australian bachelor degree with a distinction average in the final year, or equivalent qualification as well as professional experience demonstrating a capacity to undertake a Masters by Research.

#DOCTOR OF PHILOSOPHY (PHD) AND RESEARCH DOCTORATE COURSES

To be eligible for entry into a Doctor of Philosophy (PhD) you generally need to have completed a:

- four-year bachelor degree; or a bachelor degree with honours at H1 or H2A honours level or equivalent
- Masters by Coursework degree with minor thesis with average grades of at least H2A/Distinction (above 70%) or equivalent
- Masters by Research degree, or demonstrated exceptional ability during partial completion of a research project in a Masters by Research degree.

QUALIFICATION	LEVEL OF COMPLETION	* MASTERS BY RESEARCH	# DOCTOR OF PHILOSOPHY (PHD) AND RESEARCH DOCTORATES

Bachelor degree*	Completed with an overall average of all subjects (in the final year) of at least:	80% or 8/10	N/A
	Completed with a GPA of at least:	3.5 (out of 4) ∞	N/A
Masters with thesis; or admissible bachelor degree#	Completed with an overall average in all subjects of at least:	N/A	80% or 8/10
	Completed with a GPA of at least:	N/A	3.5 (out of 4) ∞
CHINA			
Bachelor degree*	Completed with an overall average of all subjects (in the final year) of at least:	75% from a project 211 or 985 institution; or 80% (all others)	N/A
Masters with thesis; or admissible bachelor degree#	Completed with an overall average in all subjects of at least:	N/A	75% from a project 211 or 985 institution; or 80% (all others)

QUALIFICATION	LEVEL OF COMPLETION	* MASTERS BY RESEARCH	# DOCTOR OF PHILOSOPHY (PHD) AND RESEARCH DOCTORATES
INDIA			
Bachelor degree*	Completed with an overall average of all subjects (in the final year) of at least:	70%	N/A
Masters with thesis; or admissible bachelor degree#	Completed with an overall average in all subjects of at least:	N/A	First Division with Distinction (70%)
INDONESIA			
Bachelor degree*	Completed with a Grade Point Average (GPA) of at least:	3.3 (out of 4) ≠	N/A
Masters with thesis; or admissible bachelor degree#	Completed with a Grade Point Average (GPA) of at least:	N/A	3.3 (out of 4) ≠
IRAN			
Bachelor degree*	Completed with an overall average of all subjects (in the final year) of at least:	15 (out of 20)	N/A
Masters with thesis; or admissible bachelor degree#	Completed with an overall average in all subjects of at least:	N/A	15 (out of 20)
KENYA			
Bachelor degree*	Completed with an overall average of all subjects (in the final year) of at least:	60%	N/A
Bachelor degree*	Completed with a Grade Point Average (GPA) of at least:	3.33 (out of 4) ∞	N/A
Masters with thesis; or admissible bachelor degree#	Completed with an overall average in all subjects of at least:	N/A	60%
Masters with thesis; or admissible bachelor degree#	Completed with a Grade Point Average (GPA) of at least:	N/A	3.33 (out of 4) ∞
Masters with thesis; or admissible bachelor degree#	Completed with a degree classification of:	N/A	Second Class Honours (Upper Division)
Malaysia			
Bachelor degree*	Completed with a Grade Point Average (GPA) of at least:	3.3 (out of 4) ∞	N/A
Bachelor degree*	Completed with a degree classification of:	Second Class (Class II /Upper Division)	N/A
Masters with thesis; or admissible bachelor degree#	Completed with a Grade Point Average (GPA) of at least:	N/A	3.3 (out of 4) ∞
Masters with thesis; or admissible bachelor degree#	Completed with a degree classification of:	N/A	Second Class (Class II /Upper Division)
PAKISTAN			
Bachelor degree*	Completed with a Grade Point Average (GPA) of at least:	3.5 (out of 4) ∞	N/A
Bachelor degree*	Completed with an overall average of all subjects (in the final year) of at least:	First Division with Distinction (75%)	N/A
Masters with thesis; or admissible bachelor degree#	Completed with a Grade Point Average (GPA) of at least:	N/A	3.5 (out of 4) ∞
Masters with thesis; or admissible bachelor degree#	Completed with an overall average in all subjects of at least:	N/A	First Division with Distinction (75%)

ENTRY REQUIREMENTS

QUALIFICATION	LEVEL OF COMPLETION	* MASTERS BY RESEARCH	# DOCTOR OF PHILOSOPHY (PHD) AND RESEARCH DOCTORATES
SAUDI ARABIA			
Bachelor degree*	Completed with a Grade Point Average (GPA) of at least:	3.3 (out of 4.0) [∞] or 4.0 (out of 5.0) [^]	N/A
Bachelor degree*	Completed with an overall average of all subjects (in the final year) of at least:	80%	N/A
Masters with thesis; or admissible bachelor degree#	Completed with a Grade Point Average (GPA) of at least:	N/A	3.3 (out of 4.0) [^] or 4.0 (out of 5.0) [∞]
Masters with thesis; or admissible bachelor degree#	Completed with an overall average in all subjects of at least:	N/A	80%
SRI LANKA			
Bachelor degree*	Completed with a Grade Point Average (GPA) of at least:	3.3 (out of 4)	N/A
Bachelor degree*	Completed with an overall average of all subjects (in the final year) of at least:	First Class Pass (70%)	N/A
Masters with thesis; or admissible bachelor degree#	Completed with a Grade Point Average (GPA) of at least:	N/A	3.3 (out of 4)
Masters with thesis; or admissible bachelor degree#	Completed with an overall average in all subjects of at least:	N/A	First Class Pass (70%)
UNITED KINGDOM			
Bachelor degree*	Completed with an overall average of all subjects (in the final year) of at least:	Class 2 Division 1	N/A
Masters with thesis; or admissible bachelor degree#	Completed with an overall average in all subjects of at least:	N/A	Class 2 Division 1
UNITED STATES			
Bachelor degree*	Completed with a Grade Point Average (GPA) of at least:	3.3 (out of 4)	N/A
Masters with thesis; or admissible bachelor degree#	Completed with a Grade Point Average (GPA) of at least:	N/A	3.3 (out of 4)
VIETNAM			
Bang Tot Ngiep Dai Hoc (bachelor degree*)	Completed with an overall average in all subjects of at least:	7.0	N/A
Masters with thesis; or admissible bachelor degree#	Completed with an overall average in all subjects of at least:	N/A	7.0

[^] Average is calculated on a 1 - 5 scale with 1 being the highest grade.

[∞] Average is calculated on a 1 - 4 scale with 4 being the highest grade.

[#] Overall average of all subjects in final year - A=4, B=3, C=2, D=1

This information is accurate as of June 2015. Victoria University reserves the right to adjust these at any time. Qualification standards displayed on this page are indicative only, and achieving one of these goals does not guarantee a placement into a Victoria University course. The entry requirements should only be applied after it has been established the degree the applicant holds as an entry qualification is deemed comparable to an Australian degree according to the AEI-NOOSR country education profiles for the country where the qualification has been awarded. Meeting the entry requirement does not waive the requirement for the entry degree to be assessed as comparable to an Australian degree. Some courses may require academic results that are higher than results stated in this document.
